Von Catherine McKenzie : Forgotten: A Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised Forgotten: A Novel:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. many feelings at onceVon chrFunny, creative and cute story not far from reality. It's a book to laugh and dream in a romantic

way.

Kurzbeschreibung For fans of *The Good Wife*, Catherine McKenzies *Forgotten* is a pure, page-turning pleasure. Gwendolen Gross, author of *The Orphan Sister* By turns hilarious and heart-tugging. A thoroughly enjoyable read! Juliette Fay, author of *Deep Down True* If your old life vanished completely, should you try to get it back or create a whole new one? That's the intriguing question at the heart of Catherine McKenzies *Forgotten*. The smart, funny, and provocative story of a woman who returns home after being stranded for months in Africa by an earthquake only to find that everyone in her life believed she was dead and moved on, *Forgotten* is captivating and thought-provoking contemporary womens fiction from the author of *Arranged* and *Spina* fresh and witty tale that will not be soon forgotten. Pressestimmen Powerfully engaging. . . . [McKenzie is] an exciting new voice whose tone is both witty and captivating. (USA Today) An endearing story of discovery and transformation and the importance of turning lemons into lemonade.
