Note to readers: This eBook features samples of chapters from Jodis published works, including the first chapter of THIS MAN the 1st book of the This Man Trilogy, and the first chapter of ONE NIGHT: PROMISED the 1st book of the One Night Trilogy.About the short storyKelly has fallen into the humdrum of everyday life. Her fulfilment is found in the washing, the cleaning, the ironing and running herself into the ground with her job. Shes not sure when it happened, but the fun, spontaneity and excitement in her life was lost somewhere along the way. So when she's asked out on a date by a gorgeous man who demands her attention, Kellys not so sure shes up for it. Its been a while, to say the least. It would be easy to refuse, stay at home, finish that pile of ironing, and then answer some work emails. The thought of being so organised alone brings a smile to her face. But with the encouragement of her best friend, she bites the bullet and goes all out. Bye-bye ironing, hello gorgeous man. She doesnt know where this Kelly has been, but she quite likes her, and she doesnt plan on misplacing her again.
