Von Gordon Merrick : Forth into Light (The Peter Charlie Trilogy) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Forth into Light (The Peter Charlie Trilogy):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. This book is amazing!!!! Sweet, made me laugh and cry at once Von CtTrips@aol.com I am totally obsessed with this trilogy! I fantasize about it, write more chapters, I even dream about it at night. VERY recommended. When I finished the third book, I almost cried because there wasn't more, and I desperately wanted to know what happened to Peter and

Charlie next. Both the love and the fights were so honestly written that I almost believed it all really happened. Read these, they're a complete emotional experience!!1 von 1 Kunden fanden die folgende Rezension hilfreich.
SummaryVon Ein KundeIt began with Peter. Then there was Charlie. Along came Martha. Now in the final chapter of the monumental love story about two men who could pass for Greek gods, steps Jeff, an exquisite young man who brings searing passion -- and intrigue -- to the lush Greek isle on which they all live.

KurzbeschreibungIn the final chapter of the bestselling epic love story of Peter and Charlie, the two men are forced to fight for their relationship like never beforeFor two men with the looks of Adonis and Narcissus, its no surprise that Greece was the destination for a romantic getaway. Once there, however, the two men fall into the beds of others, with the duplicitous Martha striving to steal Charlie away from Peter after he has a moment of infidelity.For the final installment of the Peter Charlie Trilogy, Gordon Merrick widens his focus on the couple to include the village in which theyre staying, creating a web of deceit and lust that comes to a head in unexpected and satisfying ways, while the love between Peter and Charlie is tested repeatedly with the emergence of a passionate young man named Jeff. The bond between these two has spanned the years and the globe, but it could well meet its end here on the lush Greek shores.
