Days in April Von Resa A sweet short story. I really enjoyed how the author wrote this "what if - story". The only thing I could criticize is that the story was a bit rushed towards the end.

Kurzbeschreibung Sweet, Austen-inspired treats, perfect with a cup of tea. Full of hope and ripe with possibility, beginnings and new beginnings refresh the spirit with optimism and anticipation. Four Days in April. Two letters. Four Days. Everything changes. After offering a most disastrous proposal of marriage and receiving a rebuke he will never forget, Fitzwilliam Darcy writes Elizabeth Bennet an equally memorable letter. What if she answers it with one of her own? From the award winning author of Given Good Principles, Remember the Past and Mistaking Her Character, Sweet Tea short stories offer the perfect bite to transport readers back to the Regency era for the first days of new love.
