Von T.S. Eliot : Four Quartets (Poet to Poet: An Essential Choice of Classic Verse) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Four Quartets (Poet to Poet: An Essential Choice of Classic Verse) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Of all

the books I've ever read, this is the one! Von The Masked Marauder A kind friend introduced me to this book 25 years ago. It is so full of real life, as it is. In grasping for words to describe what cannot be described by words, T.S. Eliot has written a masterpiece that will endure for as long as there are people to read books. Each reading takes you inside, yet out of time a space. If I could pick the most meaningful book I have ever encountered, this would be it... the one you take to that desert island; the one you take with you through your life. Don't analyze this book, let it reach out to you, allow it to become an old friend, and it will enrich your life. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A rare, profound poem Von Robert J. Tiess FQ can be argued to be one of the finest English poems of the 20th Century. Whether it is the timelessness of its words, its vivid imagery, the narrator's contemplative tone, or the fact that this is Eliot at his finest, FQ is a rare, profound poem, modest in some respects, epic in others. FQ is a poem to be read and reread over a lifetime, as its meanings grow with you and you return to it with a new understanding of familiar lines, along with fresh wonder. Few poets attain what Eliot achieved with FQ: a spiritually and philosophically-charged work deftly delivered with a subtle passion, a yearning, an awareness of all points of time and place and eternity, and the calming closure to follow the end of one's beginning and the beginning of one's end. Until you have read FQ, your literary understanding of Eliot will be incomplete and deprived of a lyricism, balance and flow little found elsewhere in his other works, including Waste Land. Buy FQ, read it, reread it and share it with all those near and dear to you. 0 von 0 Kunden fanden die folgende Rezension hilfreich. a Masterpiece Von danny schorr All I can say is that "Burnt Norton" has had a very deep and profound effect on me "I can only say THERE I have been/I cannot say where" Exactly. This poem truly captures the essence of the meditative experience, expressing something that it seemed there were no words for.

Kurzbeschreibung Four Quartets is the culminating achievement of T.S. Eliot's career as a poet. While containing some of the most musical and unforgettable passages in twentieth-century poetry, its four parts, 'Burnt Norton', 'East Coker', 'The Dry Salvages' and 'Little Gidding', present a rigorous meditation on the spiritual, philosophical and personal themes which preoccupied the author. It was the way in which a private voice was heard to speak for the concerns of an entire generation, in the midst of war and doubt, that confirmed it as an enduring masterpiece. dePublished in the fiery days of World War II, Four Quartets stands as a testament to the power of poetry amid the chaos of the time. Let the words speak for themselves: "The dove descending breaks the air/With flame of incandescent terror/Of which the tongues declare/The only discharge from sin and error/The only hope, or the despair/Lies in the choice of pyre or pyre--/To be redeemed from fire by fire./Who then devised this torment?/Love/Love is the unfamiliar Name/Behind the hands that wave/The intolerable shirt of flame/Which human power cannot remove./We only live, only suspire/Consumed by either fire or fire." Kurzbeschreibung Four Quartets is the culminating achievement of T.S. Eliot's career as a poet. While containing some of the most musical and unforgettable passages in twentieth-century poetry, its four parts, 'Burnt Norton', 'East Coker', 'The Dry Salvages' and 'Little Gidding', present a rigorous meditation on the spiritual, philosophical and personal themes which preoccupied the author.
