surface and comes up through the story. Though it's expensive for a 1 hour read!!!!!! :-)

Kurzbeschreibung *Please note this book is dark romance and deals with serious themes. Recommended for mature readers only.* This story unfolds over seven volumes approx. 25 - 30,000 words each. Love and hate aren't all that different. Two sides of the same coin, the yin and the yang. Once upon a time, Jason Ross loved me. And now that he's in danger of figuring out what I've done, I see the love and the hate warring within him. I see the way he looks at me. The way he wonders how I could do the things I've done. I hear it in the way he begs me to stop, to leave his father and this life and never look back. But there's only one way I'm leaving LA. And that'll be when Dornan and the rest of his sons are dead and buried.
