**Von Rumer Haven : Four Somethings a Sixpence (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Four Somethings a Sixpence (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. OriginellVon VeraLanhydrockDie Autorin hat den Klassikern "Etwas Neues, etwas Gebrauchtes ..." eine neue und vllig andere Sichtweise gegeben. Im Fokus steht - natrlich - die Braut. Allerdings ist Four Somethings a Sixpence keine klassische Hochzeitsgeschichte: Rumer Haven lsst uns Leser einen Blick auf die Braut durch die Augen

verschiedener (ihr nahe stehender) Gäste werfen. Jedes Kapitel steht für eine andere Person: Etwas Neues - der Bräutigam; etwas Altes - die Großmutter; etwas Gebrauchtes - der Ex (der pikanterweise der Trauzeuge des Bräutigams ist) ...Ein kurzweiliges Buch, das einmal (wieder) etwas Anderes ist; ich mag die Art, wie die Autorin ihre Charaktere beschreibt, die lebendig werden lässt, ohne sie groß zu beschreiben. Wer *Four Somethings a Sixpence* mag, wird ihr Debut *"Seven for a Secret"* lieben.

Kurzbeschreibung  
One wedding. Six participants. Be they sitting in the pews or standing at the altar, bearing witness in person or only in spirit, each of them knows something about the unsmiling bride. Go ahead--offer them a sixpence for their thoughts, and they'll make you these vows: One would love to declare this woman his "awfully wedded wife." Verbatim. One fears what she already has and will have to hold--if not from this day forward, then soon. One takes her to be richer, not poorer--and for that reason wants to scrub the toilet with her toothbrush. One is better for what she told him this morning, worse for betraying a friend to get to this point. One worries whether today finds her in sickness or in health. And only one already knows--with certainty--that not even in death will they part. Whether they speak now or forever hold their peace, they all give the bride a little something she didn't register for.
