Romantisch und LustigVon ValleyGirlIn a new approach to both finding a man, and getting over one, Helen Grey accepts a fourteen-day challenge from her best friend Ayshe. Each day brings a new challenge, as well as a possible run-in with Ashe's hunky brother Kalem. Unfortunately the more time Helen spends with Kalem, the closer she comes to following in love with him, which could become complicated considering Kalem's Turkish Cypriot family.Fourteen Days Later is a unique romantic comedy that keeps you turning pages to see what will happen next. Sibel Hodge vividly displays likeable characters and hilarious scenarios. I thoroughly enjoyed the read and will look forward to more entertainment from Hodge in the near future.Lia FairchildAuthor of In Search of Lucy

Kurzbeschreibung "This story was impossible for me to put down" ~ Coffee Time Romance MoreA must read for fans of Helen Fielding, Sophie Kinsella, and Marian Keyes, International Bestseller Fourteen Days Later is My Big Fat Greek Wedding meets Bridget Jones...When accident-prone Helen Grey finds a thong stuffed into the pocket of her boyfriends best work trousers, its time for her to move on. His excuse that he needed to dust the photocopier and just thought that it was a rag sounds like a lame excuse. Helens life is propelled in an unexpected direction after her best friend, Ayshe, sets her a fourteen-day, life-changing challenge. Helen receives a task everyday which she must complete without question. The tasks are designed to build her confidence and boost her self-esteem but all they seem to do is push her closer to Ayshe's brother, Kalem. How will Kalem and Helen get together when she's too foolish to realize that she loves him? How can he fall for her when he is too busy falling prey to her mishaps and too in love with his own perfect girlfriend? How will Kalem's Turkish Cypriot family react when they find out? Is it really possible to change your life in fourteen days? Praise for Fourteen Days Later: "A very good read. Very enjoyable and fresh." - Trisha Ashley, Novelist "This was a hilarious romance! I truly was laughing out loud while reading this one." - The Cajun Book Lady "This was a great romantic comedy. I found myself laughing and smiling throughout and really enjoyed it." - I'm just sayin...Book s by KKKurzbeschreibung "This story was impossible for me to put down" ~ Coffee Time Romance MoreA must read for fans of Helen Fielding, Sophie Kinsella, and Marian Keyes, International Bestseller Fourteen Days Later is My Big Fat Greek Wedding meets Bridget Jones...When accident-prone Helen Grey finds a thong stuffed into the pocket of her boyfriends best work trousers, its time for her to move on.
