Amazing MasterpieceVon Kindle-KundeJust finished Reading Frakturen and formidable.....what a Journey !

Love...hapiness.....Sadness..... All that Leads to Joy and suddenly in the dark and deepest Point suddenly Hope appears.The Book was and is an emotional rollercoaster.Loved it. ( This review contains spoilers!!! )Von -KundeI was really excited about this book but after i read it I just felt very disappointed, and here is why :First of all, her father is a preacher but beats her and her mum and is just plain mean. But suddenly during the book he has a complete change of heart and basically confesses all his wrong doings in front of a full church.And all of that without beeing forced by Revelator or the MC.It just felt totally unrealistic ...The next thing that drove me crazy is that right until the end it felt to me that Mandy was not really comfortable with Revelator and afraid of him.They just didn't seem to be connected and and completely in love.And last, three main characters get killed, one of them being Reaver !!!!!!!I normally can live with it if a character dies, even when he was really important, but not when it's a character that already found his love and got his happy end !!!

KurzbeschreibungShe's Fractured...Mandy Price is best friends with Everett, the Ol' Lady to the Sacred Hearts' Vice-President. The product of a broken childhood, Mandy lives a fractured existence, but she's the preacher's dutiful daughter and she knows how to keep a secret. Every Sunday she returns to her father's church, sits at his table and plays the good girl. But Mandy is starting to grow into her own. It's becoming harder and harder to maintain appearances, and the strain is taking its toll.He's Formidable...Revelator has had his eye on the innocent redhead from the moment he first saw her. But life got in the way of him pursuing the angel, prospecting for the club taking up just too damned much of his time. Fully patched at last, preparing to make a move, that's when his shop and his living came down around his ears. Faced with rebuilding from the ground up, he's decided that if he has to start from the beginning, he might as well go all in. The life he plans on building from here on out definitely has his Red by his side and no one else's.It doesnt take Rev long to find out what his girl is hiding, and when he does, someone is going to realize just how formidable he can be.KurzbeschreibungShe's Fractured...Mandy Price is best friends with Everett, the Ol' Lady to the Sacred Hearts' Vice-President.
