WunderschnVon CustomerFragile war einfach wundervoll. Die Liebe zwischen den beiden Protagonisten fhlte sich so natrlich und herzergreifend an, ich musste die ganze Zeit mit ihnen mitfiebern.In diesem Buch geht es um Hardy, der sich auf den ersten Blick in Miracle verliebt, da er von ihrer Schnheit und ihre Sicht der Dinge fasziniert ist. Jedoch litt Miracle an Krebs und hat Angst, dass er bald zureckkommen wird und mchte deswegen keine Last fr Hardy sein, was so manches mal zwischen einer Auseinandersetzung der beiden fhrt, denn Hardy lsst sich davon nicht abschrecken.Hardy mochte ich schon vom ersten Satz an. Er hat eine tolle Art zu denken und scheint nach den

Beschreibungen im Buch sehr hei auszusehen :D.Er ist ein sehr liebevoller Charakter, der alles fr Miracle tun wrde und ihr auch immer zur Seite steht, selbst wenn Miracle das nicht immer so will.Miracle finde ich ein sehr bewundernswertes Mdchen, das sehr stark ist und ihr Leben voll auskostet, da sie Angst hat, dass jeder Tag ihr letzter sein knnte.Die Liebesgeschichte der beiden entwickelt sich zugegebenermaen ziemlich schnell, jedoch hat Frau Leighton dies so natrlich dargestellt, dass es mir nichts ausgemacht hat und ich die Liebesgeschichte einfach nur genieen konnte.Das Buch wird in der dritten Person aus Hardy's Sicht erzht und ich muss sagen, dass die Autorin es sehr gut geschafft hat, aus der Sicht eines Jungen zu schreiben, da ich seine Gedanken fr einen Jungen sehr nachvollziehbar fand.Ich kann dieses Buch nur weiterempfehlen und hoffe, dass es noch viele lesen werden, da es eine wirklich wunderschne Geschichte ist.

KurzbeschreibungHer heart, as delicate as glass. His love, as strong as steel. Can either survive life and death? Hardy Bradford is an eighteen year old football phenomenon who has the girl, the school, the town and the future in the palm of his hand. His life is all mapped out for him, right down to who hell marry and how hell become a professional football player. It doesn't seem to matter that Hardy wouldve chosen a much different life if it was up to him. But it's not. At least not until his miracle comes along. The first time Hardy laid eyes on Miracle St. James, he didnt know who she was, but he knew she was something different and that hed never get her out of his head. And he didnt. Now, months later, Hardys world is turned upside down when Miracle shows up in his class, stealing his heart and forever changing the course of his life. Miracles sick. Very sick. And Hardy might be losing the only thing in his life that has ever mattered. How much is too much to sacrifice for the one you love? For just a little more time? For just one more chance? Can Hardy be the hero Miracle needs? Or is it Hardy that needs saving?***Contains mature subject matter. May not be suitable for younger readers.**About Michelle: I love coffee and chocolate, even more so when they are combined. I'm convinced that one day they could be the basis for world peace. I also love the color red and am seriously considering dying my hair.KurzbeschreibungHer heart, as delicate as glass. His love, as strong as steel. Can either survive life and death?
