Excellent Romantic Mystery BookVon Ein KundeThis book was full of suspense. I love a romance book with a bit of mystery. This book was about a girl who was put with this guy on a trip to take pictures. She's not into the guy in the beginning, but things change towards the end. Also, mystery is placed throughout this book. It is a book that makes

you want to turn to the end to see how things workout, but don't cuz it ruins the suspense of not knowing!

KurzbeschreibungFramed by Tracie Peterson is a fast-paced tale of international intrigue that begins with Gabrielle Fleming, a travel writer who agrees to accompany her sister on a tour of Great Britain. Utilizing the trip as the basis for a series of travel articles, Gabby unwittingly finds herself saddled with a new photographer, Jarod Walls, a man whose background and true identity are shady at best. When Gabby's sister suddenly disappears amid rumors of an enormous, and possibly illegal, debt, Gabby has no choice but to rely on Jarod as she struggles to solve the mystery behind her sister's sinister alliance.
