**Von Martin Dubow : Francey (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Francey (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadToo"At its heart, a love story or three, FRANCEY is moreover a tale of mystery, betrayal, murder, and sorrow."Francey is a mature-beyond-her-years sixth grader who has an incredibly close bond to her father, Rick. Rick is a fabulously known architect who has recently been asked to build a manor for Lord Crimson, who is a rich and sorrowful member of English royalty. But Rick is not to build just any manor. He has been asked to build a manor that imitates a seventeenth-century manor that keeps showing up in Lord Crimson's dreams that practically haunt him every day.Meanwhile, Francey is having these horrible nightmares that somehow turn out to be memories.It turns out that Francey has taken on the persona of Susan Sebastian, a seventeenth-century noblewoman.

And Francey's nightmares are about her lover, Edward Delaney, who was murdered because of their love. Francey also takes on one of Susan Sebastian's amazing attributes; her ability to draw amazingly well. But if Francey's nightmares continue at the force with which they are coming, something terrible is bound to happen. With the help of Lizzie (Francey's teacher) and Alex (Lizzie's younger brother), will Rick be able to save Francey in time? Oh my goodness, this book was amazing! It was a pretty quick read but great just the same. It covered everything readers love; mystery, love, betrayal, murder. Not to mention the fact that the characters themselves were amazing. Rick and Francey's relationship was just perfect for this book, along with Lizzie and Alex's relationship, as well. Francey was such a strong and lovable character from the beginning. I absolutely adored her. I loved all the suspense and mystery in this book. I highly recommend FRANCEY to anyone who loves reading about the seventeenth century, and of course anyone who loves a great love story. Reviewed by: Breanna F.

Kurzbeschreibung Francey's nightmares are a very real cause for concern. So graphic, and so terrifying have they become, that the next one could very well end her life. A frantic search for the key to their unraveling leads her through a maze of past lives straight into the teeth of a web of intrigue so insidious that it has remained undetected for three and a half centuries; whereupon the path stops dead in its tracks at the gravesites of Lady Susan Sebastian and Edward Delaney. What possible connection could Francey have with the seventeenth century star-crossed lovers? And if there is one, how is she to draw the answer from them? This chasm of impossible proportions must be crossed, for only with the resurrection of the dead, and their secrets drawn from deep within their souls, can the little girl be saved.
