Von J.B. Morrison : Frank Derrick's Holiday of A Lifetime (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frank Derrick's Holiday of A Lifetime (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. An easy readVon Jacky from GermanyAn easy read and a generally feel-good book. Frank has some original ideas and solutions to some problems. I'll be looking out for the other books about him.Nothing amazing happens in the story,

but it remains gripping and easy to relate to throughout.

Kurzbeschreibung Frank Derrick is eighty-two. And apparently that makes him old. But he just doesn't feel old. Sure, his limbs ache, he can't sleep more than a few hours a night and it takes him a while to get going in the morning. But he's still Frank. A dad, a granddad, a friend to Bill the cat. So when he receives a phone call from Los Angeles with news that his grown-up daughter's life is falling apart, his natural instinct is to drop everything to be with her. Unfortunately for Frank, that means using his life savings and putting himself in danger of losing his home. But then, Frank's never been one for long-term plans. He can sort out where he and Bill the cat will live when he's back. And so Frank gets on a plane for the first time in his life. He was never much good at helping his daughter through crises when she was growing up. He left all that to his wife Sheila, who died nearly ten years ago. Now it's time to step up to his role of father to Beth. Joining forces with his determined granddaughter Laura, they begin The Reunion Project in an attempt to bring some happiness back into Beth's life and to bring the family back together again for one happy family holiday. Filled with moments of great sadness, joy and humour Frank Derrick's *Holiday of A Lifetime* reminds us all to make the most of every day and to appreciate those closest to us. **Pressestimmen** 'Seriously heart-warming' (Easyjet Traveller magazine) 'Quirky, funny and uplifting experience' (Candis magazine) 'Set to be a cult hit this summer, we recommend this warm and very funny read' (Stylist) 'Reminds you to grab hold of life and make sure you take all chances with both hands' (Sam's Book Corner) 'Fantastic, a truly one of a kind novel' (Becca's Books) 'An enjoyable, funny and moving read' (From First Page to Last) 'I was hooked on the novel and couldn't put it down' (Erin's Choice) 'One of those books you just don't want to put down' (Portobello Bookblog) **Werbetext** A brilliantly quirky and refreshing narrative of the modern holiday through the eyes of a very British pensioner
