KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. coming outVon fishbonea compassionate, lively depiction of the coming out of a homosexual young man, embedded in the

trilogy centering on the post-traumatic-stress-syndrome. E.K. Blair shows remarkable insight into the psyche of a young man- I wonder if she had the chance to speak to "real" gay boys to gain that knowledge. She really brings those characters to life- one just can't stop reading, the pull of the story is immense. Nice read to accompany the 1st and 3rd part of the series although less dramatic, but still a good read.
