Von Fannie Flagg : Fried Green Tomatoes At The Whistle Stop Cafe before purchasing it in order to gage whether or not it would be worth my time, and all praised Fried Green Tomatoes At The Whistle Stop Cafe:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Wunderbare Geschichte ber Liebe und FreundschaftVon Petra E.Krzlich sah ich im Fernsehen den Film "Grne Tomaten". Ich fand ihn hinreiend.Noch am selben Abend bestellte ich mir das Buch in Originalsprache. Bisher habe ich nur Kurzgeschichten in englischer Sprache gelesen. Da ich durch den Film die Handlung kannte, wagte ich mich

nun an dieses umfangreichere Werk in Originalsprache. Ich konnte es relativ flüssig lesen und bin begeistert von der Sprache, dem Witz, der Warmherzigkeit und der Erzählkunst der Fannie Flagg. Eigentlich sind es 2 oder sogar 3 parallele Geschichten, die den Leser in die konservativen amerikanischen Südstaaten der 1920-er und späten 1980-er Jahre entführen. 1. die Geschichte von Ruth und Idgie Threadgood, einem lesbischen Paar, das Anfang der 1920-er Jahre lebt und liebt. 2. die Geschichte des kleinen Dorfes Whistlestop und 3. die Geschichte der frustrierten Hausfrau Evelyn, die in den 1980-er Jahren in einem Pflegeheim die über 80-jährige Mrs. Threadgood kennenlernt und sich mit dieser befreundet. Ein sehr lesenswertes Buch, das ich in jedem Fall weiter empfehlen kann. 3 von 3 Kunden fanden die folgende Rezension hilfreich. I dare you not to giggle throughout this book! Von Dan Barksdale III Fried Green Tomatoes at the Whistle Stop Cafe will make you cry, laugh, and realize, in the end, the strength of the human spirit can prevail over all sorts of evil elements. Fannie Flagg, in her characteristic voice, spins a yarn that will have you laughing until it hurts, while at the same time, exposing the horrors of racism and sexism in the south and the rest of the country. She creates the most lovable characters in Onzell, Sipsey, Idgie, Ruth, Momma, Poppa, Big George, Stump, Ninny, and Evelyn Couch. Join Evelyn in her rebirth in the "All-Black" Baptist Church she visits one Sunday, laugh as Vesta Adcock runs over her gardener's head as he's napping, (he lives, just a few tire marks!) laugh as Dot Weem reports that her husband burnt down the garage, and forgot to back the car out in order to save his brand new saw! Flagg's voice is truly southern, rich, ripe with humor, pride and seriousness. This book will make you hungry and could easily lead to your gaining weight! Told in a series of short flashbacks, the plot is not easily defined, but is perfect for the book! Read this sweet, lovable, good, book; you'll feel better afterward! 4 von 4 Kunden fanden die folgende Rezension hilfreich. Like coming home. Von Darn Heather Fannie Flagg is one of the best writers about the south and "Fried Green Tomatoes" is her best book. Everytime I read this book it is like coming home to the little cafe downtown and to the sound of the old trains that used to pass in the night. The characters are like old friends and the strength of spirit an inspiration. I would recommend this book to any woman who needs a good laugh and a good cry because this book will give you both.

Kurzbeschreibung The day Idgie Threadgood and Ruth Jamison opened the Whistle Stop Cafe, the town took a turn for the better. It was the Depression and that cafe was a home from home for many of us. You could get eggs, grits, bacon, ham, coffee and a smile for 25 cents. Ruth was just the sweetest girl you ever met. And Idgie? She was a character, all right. You never saw anyone so headstrong. But how anybody could have thought she murdered that man is beyond me. Fried Green Tomatoes at the Whistle Stop Cafe is a mouth-watering tale of love, laughter and mystery. It will lift your spirits and above all it'll remind you of the secret to life: friends. From Publishers Weekly Cleo Threadgood, 86, shares a lifetime of memories of Whistle Stop, Ala. where the social scene centered on its one cafe with Evelyn Couch, a younger woman who is looking for meaning in her life. PW described this as "lively reading the kind that eventually nourishes Evelyn and the reader as well." Copyright 1988 Reed Business Information, Inc. **Pressestimmen** "The people in Miss Flagg's book are as real as the people in books can be. If you put an ear to the pages, you can almost hear the characters speak. The writer's imaginative skill transforms simple, everyday events into complex happenings that take on universal meanings."--Chattanooga Times "This whole literary enterprise shines with honesty, gallantry, and love of perfect details that might otherwise be forgotten."--Los Angeles Times "A sparkling gem."--Birmingham News "Watch out for Fannie Flagg. When I walked into the Whistle Stop Cafe she fractured my funny bone, drained my tear ducts, and stole my heart."--Florence King, Author of Confessions of a Failed Southern Lady "Admirers of the wise child in Flagg's first novel, Coming Attractions, will find her grown-up successor, Idgie, equally appealing. The book's best character, perhaps, is the town of Whistle Stop itself--too bad trains don't stop there anymore."--Publisher's Weekly
