Von Ruth Langan : Rory (Mills Boon Vintage 90s Modern) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rory (Mills Boon Vintage 90s Modern):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.
Strongest of story elements and motivation Von Ein Kunde Rory begins in violence and ends in enduring love. The heroine Annaclaire is a delight with her comebacks to Rory's flirtatious charm as he recovers from his wounds. Deep emotions and depth of character abound in this story. Ruth Langan wove an unconsummated first love scene filled with high emotions and sensual tension. Rory and Annaclaire's love begins in that moment, vivid and rich in equal parts passion and frustration. One lives this story breath by breath when Annaclaire learns that her guest has been discovered, secreted away in her attic, which puts their very lives on the block. This is a book ripe with intrigue and plot twists that set your heart pounding, love scenes that leave you panting and as breathless as the lovers

themselves. Ruth has penned a clever, beautiful heroine and a deeply romantic hero; both are truly unforgettable characters. The end of this book nearly stopped my heart! Fortunately, I was saved by a beautifully rendered epilogue and romance of which we mortal romantics may only dream. In all, this is an excellent achievement, a book that keeps suspense going until the very last pages. A superior novel that literally leaves you breathless, so involved you live inside the persona of Roy and Anna Claire every step of the way. I loved this book and will treasure it always. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Suspense and unexpected turns. Von Ein Kunde This story kept me in suspense until the very end. The twists and turns are unexpected and add to the excitement of the story. I anxiously await the next two books in the O'Neil Saga.

Kurzbeschreibung O'NEIL SAGA A family driven by destiny! A Man Most Wanted Rory O'Neil was hunted by every soldier who wore an English uniform, but that would not stop his quest for revenge. A Man Most Despised He was hated by those who knew him as the Blackhearted O'Neil. But to those who believed in his cause, he was the only warrior brave enough to save them. A Man Most Loved Anna Claire Thompson knew the first time she witnessed his passion that Rory was the man who would lay claim to her heart. But would the driven Rory ever return her love?
