Von Audrey Harrison : Rosalind: A Regency Romance (The Four Sisters Series Book 1) (English Edition)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Rosalind: A Regency Romance (The Four Sisters Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Wow!Von Kindle JunkieBought Rosalind yesterday evening and finished reading today. I totally agree with Eva's critique and do not have much to add to that. There was just one point - don't want to spoil but it's regarding neighbors and an illegitimate child - but the solution of that "problem" did not seem logical as far as avoiding scandal goes. Otherwise, bring on Annabelle's story.For those of you who do not like hot and sweaty sex scenes, you're safe here. The marriage bed is just hinted at.P.S. I did read Annabelle's story and that ended the series for me. I was rather disappointed.1 von 1 Kunden fanden die folgende Rezension hilfreich. Langweilig, langatmig, und gnzlich

unrealistisch, Zeitverschwendung Von Sands Kay Langweilig, langatmig und gnzlich unrealistisch, Zeitverschwendung Die Rezession bezieht sich auf alle vier Bcher bzw alle vier Schwestern. Leider sind die Figuren grtenteils sehr flach und wenig sympathisch. So dumme, fast schon geistig zurckgebliebene (Grace!) Heldinnen habe ich schon lange nicht mehr erlebt! Sie reagieren allesamt kindisch und vorallem fr die damalige Zeit unrealistisch (Rosalind!). Auch die Helden sind nicht viel besser. Am besten gefallen haben mir noch Annabell und Joseph, der Mann von Elianor. Die Geschichten sind furchtbar gewollt und an den Haaren herbei gezogen. Und es ginge zu dieser Zeit auf keinen Fall, da eine junge Frau aus gutem Hause ohne Anstandsdame mit einem Gentleman ausfhrt, spazieren geht und so weiter! Oder ein Grtner der Schwager eines Herzogs wird und hin und wieder Gast bei "Herzogs" ist, ansonsten aber mit der Frau im kleinen Grtnerhuschen lebt. selbst die Vergiftungsgeschichte ist zu weit hergeholt! (Htte die Autorin wenigstens Tollkirschen genommen!) Ohne die gute Mrs. Adams, ginge bei den Schwestern sowieso gar nichts. Am allerbesten gefiel mir die Dowager Duchess beziehungsweise Josephs Mutter! Und: Jedes der Bcher htte gewonnen wenn es mindestens 30 % krzer gewesen wre. Fazit: nicht einmal zum Einschlafen geeignet, da man sich zu sehr ber die Figuren rgert. Wie so oft rentiert es sich nicht ber Prime ein Buch auszuleihen, da die Qualitt zu wnschen brig lt. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Great start off for the Four Sisters Series Von Eva What an amazing start off for the four sisters series! From the beginning on the reader is drawn in by the special relationship amongst the four siblings and can only wonder about the parents lack of interest and emotional involvement concerning their children. The male hero is everything a man ought to be. It was a joy to see his development throughout the book. Although I would have preferred a little more insight at some points. I loved how the author did not shy away from addressing the topic of disabilities and the social response to disability in the regency time. The ending is great, but it leaves the reader with a big question mark... which led to me buying the other books, because I just had to find out. Overall it was an exciting, joyful journey, seeing the characters struggling with their inner demons. The story grabbed me from the beginning... I couldn't put the book down. The author has a sure instinct concerning sensitive topics and understands to lighten the mood with witty and funny remarks. I'd definitely recommend this book to anyone who loves Jane Austen's novels and is interested in the regency period.

Kurzbeschreibung Peter Gilbert, Duke of Sudworth is a good man, but at the moment he's angry and very very bitter. He has inherited the title and the debt that the selfish lives of his deceased brother and father created. He was forced to leave the home that he loved to try and save his dysfunctional family and their shared heritage. Facing bankruptcy, he has determined to keep his heritage at whatever cost. Only those closest to him know the real reason he is desperate to save his family home - the member of his family his father was ashamed off. Rosalind Johnson, is the eldest daughter of a 'cit', a man who has earned his fortune through business. As an ambitious father he is determined that his four daughters will marry the highest titles in the country, whether they like it or not, and he is prepared to pay to achieve his goal. Rosalind has no choice to marry a stranger and take on a life and Society that looked down on someone who came from trade. She would need all her resourcefulness to cope. Two people forced together because of circumstances that they did not create would be set for a shaky start at best, but with local gossip, illegitimate children and an alleged affair, things were never going to be quiet in the home of the Duke and Duchess of Sudworth. This is the first book of the Four Sisters' Series. Each book exploring the lives of the Johnson sisters.
