**Von Joan Overfield : Rose in Scotland** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rose in Scotland:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very absorbing and moving romanceVon Ein KundeIn 1771, over the objections of his father who disowns him, Hugh

MacCalome joins the English military in an attempt to save the family estate from the English seizing it as they have done with other Scottish properties. After fighting for the English in the swamps of the Americas for four years, Hugh MacCalome returns to his Loch Haven Highland home. When he arrives, Hugh realizes his sacrifice was for nothing since his family has been deported to hell and his lands forfeited. To regain what is rightfully his, he turns to General (R) George Burroughs, the Duke of Hawkeskill, whose life he saved. A desperate Lady Caroline Burroughs is expected to marry Sir Gervaise Wilmount, a friend of her uncle, who acts more like a Drury Lane actress. If she fails to do what he says, he will see that she is committed. She runs off to her grandfather, George in an effort to avoid this disgusting marriage. George sees an opportunity to kill two birds with one stone by having Hugh wed Caroline, which they do. They settle in Loch Haven but someone wants to kill Caroline and only Hugh, who loves his English wife can save her life. Joan Overfield, renowned for her sensual Regencies, delivers an action packed Georgian romance that will electrify fans of the sub-genre. The lead protagonists are a remarkably entertaining pair, who generate the full focus of the reader on them. The support cast helps move the story line forward. Ms. Overfield shows that she can scribe a beautiful historical romance outside the regency world. Harriet Klausner1 von 1 Kunden fanden die folgende Rezension hilfreich. ABSOLUTELY WONDERFUL Von CINDY I really loved this story very much. I thought that this story moved along very well and was totally romantic from the beginning and right to the end. The setting in England and Scotland were beautiful. I feel if you like Scottish Lairds and equally strong English Roses, you will love this story. That is all I can say. It is a must read.1 von 1 Kunden fanden die folgende Rezension hilfreich. Cute but predictable Von natoule Caught in a temporary marriage where both parties have a lot to gain, love comes as a surprise (but not to the reader!!). Added difficulties because the Scottish clan of the groom does not accept his English bride. The rushed and sudden end catches the reader by surprise: a blessing or a curse, I can't really say.

Kurzbeschreibung A delicate flower Lady Caroline Burroughs is desperate. Her unscrupulous guardian is squandering away her inheritance, and now wants to gain complete control over her dwindling wealth by forcing her to wed his aged crony. But Caroline has found a solution to her woes. Though it means surrendering her long-cherished dream of marrying for love, she agrees to a preemptive temporary union with a devilishly handsome stranger a brave and noble Scotsman who believes that love is an illusion. A thorny romance Major Hugh MacColme has every reason to hate the British since the Crown stole his ancestral castle and sent his father and brother into exile. And he never imagined he would end up marrying one of the enemy. But a year spent in the intimate company of an exquisite English rose seems a small price to pay for recovering his birthright. For tender-hearted Caroline, however, the difficult part will be coping with her unexpected desire for this proud and distant man who uses for is the warm and healing love he truly needs. Since then she has written a total of twenty novels, nineteen of which have already been released. Along the way Joan has made several bestsellers lists and won numerous awards for her work, including this year's award for Career Achievement in Regency Romance from Romantic Times Magazine. She lives in Washington State with her golden retriever, Libby, and an ornery alleycat named Pounce. She is also a killer Trivial Pursuit player, and loves the smoky wail of a tenor sax and the icy bite of perfectly chilled champagne.
