Von Drea Stein : Rough Harbor: A Small Town Romance Novel (The Queensbay Series Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rough Harbor: A Small Town Romance Novel (The Queensbay Series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Even better than book 1... Von ClaudiH...in the series. This one is peppered with quite a bit of suspense, which makes it not quite as predictable as the first book. We don't get to read about Queensbay as a town as much as in book 1, which I had actually quite enjoyed. What I found a little curious is that Caitlyn is best friends with Darby Reese from the first book and made some major appearances there. However, Darby doesn't feature at all in this book which I found a little weird because wouldn't you want to speak to your best friend even once about what's happening? Nevertheless - great book, very much recommended.As a side note: After reading book 1 I wanted to download this one but got a message saying I had already downloaded it a while ago. Couldn't find it on my Kindle, and it turned out the reason was that the author went under the name of ANDREA Stein, and the new versions are now found under DREA Stein.

KurzbeschreibungWill Caitlyn Montgomery and Noah Randall be able to give first love a second chance?Noah Randall was Caitlyn Montgomerys first love. But he left Queensbay ten years ago and broke her heart. And then when her beloved grandfather died amid scandal, Caitlyn left too, vowing never to return.After a bitter break up and career set back in London, Caitlyn has returned to Queensbay to work for Maxwell Randall, an old family friend. So far, bit by bit, Caitlyns been rebuilding all she lost after her ex fianc humiliated her and tried to ruin her professional reputation.But her past comes back to haunt her when Maxwell unexpectedly turns up dead. Not only does Caitlyn find her career in jeopardy but her heart is too, when Noah, Maxwells son, returns to Queensbay. Once, Caitlyn was sure Noah was the one for herbut the tragedy of her grandfathers suicide and Noahs decision to leave town left her bereftand determined never to trust him again. Over the past decade, shes managed to do her best to forget about Noah Randall. But now thats he back in town and more charming than ever, and she cant help wondering, what if? What if Noah really was the one?Praise for Drea Stein" ...I was introduced to something I enjoyed in the past with the older novels (the very first editions of Harlequin), a good story! In the first editions of romance novels you had adventure, suspense, little of the romance. This book reminded me very much of those first editions, when good writing was good writing....." - V.P.Engrossing characters, great setting and a believable romance I really liked this book Sarah H.If youre looking for a new voice in contemporary romance and enjoy the novels of Barbara Freethy, Jude Deveraux, Susan Wiggs, Nora Roberts and Marie Force, then Drea Steins Rough Harbor is for you. About the Author: Drea Stein has been writing since she could hold a pencil and typing up books since she was in high school. A lover of good stories, she grew up reading Nancy Drew, Sweet Valley High before discovering the likes of Georgette Heyer, Mary Stewart and Nora Roberts. A big believer in happy endings, Andrea is married to her high school sweetheart and lives with her family in an old farmhouse, writing in the fixed up barn. When not writing, shes playing chauffeur, reading, cooking and trying not to eat all the red Twizzlers at once.
