KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Can 1 be 3 or do they have to be 2?Von MagritteRude is a medium lenth (165 pages) erotic romance about Sarah (a virgin) who falls for Liam.... Liam comes with his twin Luke... but then when Liam thinks that Luke might get hurt hehas to

react...But can they be 2 and not 3?The sex scenes are hot... not really believable... or maybe I am the only one having a hard time imagining my first time to be with 2 man in the same time?I got a bit annoyed as I had the feeling that Liam and Luke got mixed up.The story was short and hot but nothing out of the ordinary to be worth 5 stars.Enjoy the read MBTM

Kurzbeschreibung. #RUDE is a stand-alone steamy romance novel . \*Sexy twin brothers. One owns her heart, the other makes her burn. Would it be rude to keep them both?Liam walked into my world and turned it upside down with his lickable abs, bedroom eyes, and alpha male persona. He was sin personified and I wanted him to damn my soul. Everything about him drew me in, daring me to step outside my comfort zone and forget all the rules I'd made to keep my heart safe. He was rude, vulgar, and promised everything a good girl dreams about doing with a bad boy.As if his temptation wasn't enough, his twin brother was thrown into the mix. Luke was Liam's polar opposite in every way, except for his panty-melting looks. Charming, respectful, and a man you wouldn't mind taking home to meet the parents. There couldn't be a more perfect man. Put the two of them together and it was a combination no woman couldn't resist. I've never considered myself a prude, even though I was holding out for marriage. How could I walk away from a night that fantasies were made of? Liam told me that great sex was never boring. It was dirty, passionate and always a little rude. All I had to do was say yes. Two sexy twin brothers promising one hot night of unadulterated sex.Would it be #Rude to turn it down?Kurzbeschreibung. #RUDE is a stand-alone steamy romance novel . \*Sexy twin brothers.
