What a conclusion to this series!Von CassandraEvery time you think you know what's going on, there's another twist in the story.Up to the last pages you don't know whether to love Ben or hate him. If he's the good or the bad guy. With Parker (the ex) back in the picture you hope badly that Kayla kicks his ass.Really enjoyed this interesting, twisting and

gripping read with some great and complex characters!

KurzbeschreibungThe final part of RUIN, a three-part series from New York Times and USA Today bestselling author, Deborah Bladon. Kayla Monroe felt safe in the arms of Dr. Ben Foster. He was helping her move past a broken heart and she was guiding him towards a reclaimed relationship with the brother he'd lost years ago. Their bond was unique, strong and bordering on a love that would change them both forever. Then Kayla found herself thrust into the middle of a triangle she wanted no part of. She heard things that altered her reality completely. There's no one for her to rely on but herself and she has to decide whether a familiar voice from the past holds more weight than the promise of a future she can't quite grasp yet. Trusting her heart has never been easy for Kayla. Trusting others has never been easy for Ben. Together they have to determine whether the sins of the past are too much to bear or whether a connection that is undeniable is worth the risk.
