I just love series, they give you something to look forward to, you get to know all the awesome characters, and the characters in this series are sultry, powerful, and full of unexpected surprises. JACKSON, is green-eyed, heart-stopping gorgeous, fearless, loyal, charismatic, and the Beta of the pack; Tasmin, is audacious, curvy, excellent with pack politics, a violet-eyed beauty, and the packs Alphas sister. What you'll find in this story; spectacular story-line, remarkably impressive and engaging characters, pent-up rage, phenomenal banter, dynamic scene descriptions, gut-wrenching moments, pent-up rage, gripping suspense, skyrocketing jaw-dropping sensual romance, and a conclusion leaving you craving for the answers you desire now! Jackson had been on vacation for two weeks and has come home in time for his Alphas wedding. He spent his vacation carousing, but his mind slipping to visions of Tasmin. Now that Trevor and his mate Cassie are wed, they are on their way to a blissful honeymoon in Europe for a month. Trevor has left Tasmin and Jackson in charge of all pack duties. Tasmin has always stayed away from Casanova Jackson, but of late her feelings towards him have changed leaving her bewildered and stressed. Jackson now finds himself in a heap of trouble with Tasmin and hopes he can worm his way out of it.....WOW/INCREDIBLE fast paced exhilarating read by a truly gifted author. The author does not disappoint by giving readers an intriguing plot, fabulous dialog and romance keeping you glued to the story from start to finish. I so enjoyed the banter between Jackson and Tasmin. The chemistry between them is strong, and their romance is filled with fiery passion. I so eagerly await the next book to see how Jackson gets out of the mess he created. I absolutely loved this book, as it was a most delightful read. If you treasure shifter romance this is a terrific book for your library. {I was gifted this book, and this is my completely truthful review}. In the world of shifter romance the possibilities are endless and always fascinating. Without reservation I recommend this book and the series.

Kurzbeschreibung \*\*\*this is a CLIFFHANGER short novella that is part of a serial. This is NOT a full-length book. Parts must be read in order.\*\*\*As the fearless, loyal second-in-command of the powerful Wicked Mountain Wolf Shifters, Jackson Rule has sheer animal magnetism, almost limitless influence in his pack, and legions of adoring female fans. He's prowled through life as a charming bad boy for centuries, and so far it's been one sweet ride. Except for the undeniable temptation by the only woman he can never have: Tamsin, the incredibly captivating but utterly off-limits sister of his pack's alpha. As sister of the alpha, Tamsin Reginald is strong, reliable, and completely driven by the needs of her pack. She's always stayed far away from wild Jackson and his ladykiller ways. Besides, her eventual mating is expected to be a smart political alliance. And impossibly sexy Jackson is anything but a smart decision. But Tamsin is on the verge of losing control, heart, body, and soul--because she's about to be Ruled by the pack. To the reader: This story contains hot sex with all the dirty details, naughty language, characters who say "oh, hell yeah" to the fun times, the potential edges of shifter violence, and yes, a cliffhanger. If that isn't your thing, this story probably won't be either. But if all that sounds great, this short serial is for you!
