Amazing start, unfortunately, the rest couldn't match up to it...Von amygdalait's been a while since I read this book, but I remember very well how I felt about it.I have to admit that the book starts really, really ... - wow.The part when Dustin and Brandon meet for the first time in that bar, the looks, the banter between both of them are so captivating, so great. The sparks are flying and the author described this situation amazingly well, it was almost palpable.And I swear,

I had butterflies in my stomach while reading it. Well, as I said, great start, but the rest couldn't match up to that start, in my opinion. The story had so much potential, but, unfortunately, the opening (which gave me high hopes for an equally promising plot) was followed by one that contained a great deal of sex, instead. Not that this is necessarily a bad thing (well, I actually prefer a "real plot" to a "pseudo one" that mainly consists of sex scenes between the two protagonists...), but I was missing something while reading it. Problems weren't fully developed, their potential wasn't used. The ending felt way too rushed. Therefore, the maximum number of stars I can give "Rules of Engagement" is: 3 stars

Man ist ganz schenll drin in dem Strudel der Erotic und Lust. Das knistern zwischen den beiden Hauptpersonen ist wahrlich sprbar man wird einfach mitgerissen und ein entkommen ist ausweglos, garnich erst probieren. Was mir an dieser Geschichte besonders gefiehl war wie man miterlebt wie aus Lust und Begierde Liebe wird und all die unsicherheiten ber das eigene Verlangen. Selbst die Angst ber die reaktionen welche auf einen niederprasseln nach der Entdeckung von der Aussenwelt "Oh mein Gott du bist Schwul lass mich in Ruhe..."(kein zitat) die erotic szenen sind sehr gut mit worten umgesetzt worden, so das man glaubt es zusehen vor seinen Augen - es lebe das Kopfkino. Das einzige was mich etwas gestrt hat war die bermige selbstverzweiflung bei der ich dachte "oh mann geh zur therapie" das ist leider der Grund warum ich nur 4 statt 5 sternchen geb schade ansonsten ein gelungenes Buch.

Amerikaner schaffen es irgendwie viel besser als deutsche Autoren, das erste erotische Prickeln, die erste Faszination packend darzustellen. Glaubhaft und sensibel wie erotisch wird der weitere Verlauf der Romanze dargestellt, wie auch die Familienprobleme Dustins, die in dem groen rger ber sein Coming Out enden. Hier wird das Buch dramatisch wie fesselnd, und ber das kurzzeitige Zerbrecen der Beziehung verzweifelt man genauso wie Dustin. Aber dann geht doch alles gut aus ;o). Zusammenfassend: sensibel, sehr romantisch aber auch erotisch geschrieben, packend und spannend!

Kurzbeschreibung Dustin Walker has no idea that avoiding the search for Mrs. Right could send him into the arms and bed of Mr. Right Now. According to Dustin's mother, he should be out looking for his next wife so he won't be the divorced black sheep of the family. Instead, he passes his free time at a local bar and pool hall, where he meets someone who's everything his ex-wife wasn't: funny, caring, faithful... and male. Is Brandon Stewart just Dustins way of getting over a bitter divorce? Can Dustin really care for him, or is it simply that Brandon is the complete opposite of his ex-wife? Dustin keeps their affair as quiet as possible, because if it continues, he knows he'll eventually have to come out to his homophobic family or walk out on the man he's trying not to love.
