Von Marguerite Kaye : Rumors that Ruined a Lady (The Armstrong Sisters) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rumors that Ruined a Lady (The Armstrong Sisters):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Rumors that Ruined a Lady - Marguerite KayeVon Books on HeelsFirst off, you shouldn't judge a book by it's cover, right? So literally speaking, I have to admit that I was both curious and intrigued by the book description yet sceptical and

doubting about the book cover. I can't even put into words what makes me shy away from the book cover but it makes me scale down my expectations to a pleasurable read without much depth. BUT way off the mark! Rumours that Ruined a Lady is not only a pleasurable read but both the storyline and characters are complex and lack no depth at all. Both Caro and Sebastian are likable, yet torn protagonists. It is a joy to watch them discover that they are meant for each other, struggle against their feelings and the odds. The development in their personal relationship is realistic yet with twists and turns in the story you're always eager to learn more about their past. Their sexual encounters don't cheapen the book as they are described in a tasteful way. Caro and Sebastian, an unlike couple that is not that unlike at all. Despite their disparity on the surface, they are more alike than it seems. Not only the storyline but their personal growth within the novel makes this book stand out. Whether you are a novice or an old hand of this genre, you should most definitely give Rumours that Ruined a Lady a try! *thumbs up* I was provided with a copy of Rumours that Ruined a Lady by Marguerite Kaye for an honest review.*

Kurzbeschreibung SPOTTED: LONDON'S FAVORITE FALLEN HEIRESS, TAKING UP WITH THE ROGUE MARQUIS! Amongst the gossip-hungry ton, no name has become more synonymous with sin than that of Lady Caroline Rider, cast out by her husband and disowned by her family. Rumor has it that the infamous "Caro" is now seeking oblivion in the opium dens of London! There's only one man who can save her notorious rake Sebastian Conway, Marquis of Ardhallo. Soon Caro is installed in his country home, warming his bed, but their passion may not be enough to protect them once news of their scandalous arrangement breaks out.
