Von Andrea Kane : Run For Your Life (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Run For Your Life (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Too much romance, not enough thrillVon Ein KundeThe book is certainly easy to read, you keep turning the pages wanting

to find out who is behind the "Hope Institute".the plot itself is very good, although sometimes a bit unbelievable, and i didn't guess until the end who the "bad guy" is.but for my taste ms.kane focuses too much on the romance between zach and victoria and not enough on the plot itself.she could have made much more out of this this book.to sum up: too much sex, not enough thrill!

KurzbeschreibungBestselling author Andrea Kane delivers a pulsating blend of corruption, seduction, and bone-chilling suspense in one of the most sensational blockbuster thrillers of the year. From its opening scene to its shattering climax, the dark undercurrents of murder and love entwine in her most powerful and edgy novel yet. Manhattan attorney Victoria Kensington is deeply alarmed when she runs into her sister, Audrey, in Central Park -- clad in a hospital gown and fleeing from unknown pursuers. As Audrey collapses at her feet, warning about danger, Victoria rushes for help. When she returns, Audrey has vanished from sight. Despite threats against her life, Victoria vows to discover her sister's whereabouts. She works alone until the only man she ever loved, Zachary Hamilton, suddenly appears in New York. Assigned to investigate a worldwide drug syndicate, he suspects it may tie in to Audrey's disappearance. Together, Victoria and Zach race against the clock to crack the deadly drug ring and find Audrey. While they work, they find the white-hot electricity between them recharging to a fever pitch. Pursuing the shocking truth that might tear Victoria's family irrevocably apart, she and Zach begin to unravel a complex web of deceit -- which echoes terrifyingly back to Victoria's own life..deSetting: New York City, present day Sensuality rating: 8 High-powered attorney Victoria Kensington knows how to protect herself. In fact, she's spent her whole life protecting her vulnerable sister, Audrey, from their stern father's disapproval. But when Audrey, who's supposed to be painting in Venice, collapses at Victoria's feet in Central Park dressed only in a hospital gown, Victoria doesn't know what to think. And when Audrey disappears without a trace, Victoria will do anything to find out what has happened to her sister, even if it means allowing FBI associate Zachary Hamilton, the only man she's ever loved, back into her life--and her heart. Even if it means finding out her father knows a whole lot more than he's letting on, Victoria will let nothing stop her from saving Audrey. But when Victoria has several close calls, Zach insists on sticking close to her, really close. Will Victoria find a second chance at having the kind of family she always wanted and maybe even a second chance at love? Andrea Kane creates a knockout of a suspenseful romance, one that will keep readers guessing until the very end.--Alison TrinklePressestimmenIris Johansen A knockout!
