Von James Patterson : Run For Your Life: (Michael Bennett 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Run For Your Life: (Michael Bennett 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. my first patterson- not my last!Von L. DahmenMy first Patterson book and certainly not my last. fast paced, thrilling from the first to the last page. no, i am unfortunately not paid to write this review, but still i want to share my thoughts on this

book with you. i won't write anything about the content now cause i don't want to give too much away, as this thriller does not have that much depth. it's basically a popcorn crime / action film adapted to a book. you should not expect more from it, but what it promises it delivers. this is one of those books that, once you're hooked, you can't really put it down. even though it's almost 400 pages the chapters are often only 2-3 pages long and the font size is huge in my opinion. so if you like fast paced action oriented crime detective novels without wanting to contemplate the content too much you're in for a treat. enjoy!4 stars out of 5 cause 5 are reserved for novels that make me think about things long after ive finished the book.2 von 2 Kunden fanden die folgende Rezension hilfreich. Good Second Book Von Timo DNYYPD Detective Michael Bennett is back. This time he has to fight against a psychopath who calls himself The Teacher. He goes through New York City and seems to kill random people who he considers rude and arrogant. Michael Bennett, who recently lost his wife, has to hunt down this monster while dealing with his ten flu-sick children. But suddenly, everything becomes personal...Published in 2008 by Grand Central Publishing, Run for your Life is the second novel in the Michael Bennett series. Author James Patterson, the most successful crime novel writer in the United States with over 180 million sold books, takes the reader to the second adventure in New York City. This book is a very good continuation of this story. Already knowing the character, the reader doesn't have any problems to think himself back into the situation. The Author went on, where he had stopped before. The sad and interesting background story about Bennett's family is a nice change from the thrilling part of the killer hunting. The reader doesn't have to know the first novel, it certainly is a benefit, though. Also, the author' writing style, which he has been using in almost all of his novels, gives the reader many different views, by constantly changing from a first-person narrator to a third-person narrator. The description of the killer is outstanding. It is a great experience to see what the killer sees and hear his thoughts. You have a great overview of the story and it is easy to understand. This is another great crime novel from James Patterson. After his first detective hero, Alex Cross, New York gets his first, great Detective Hero. I can recommend this book for all James Patterson and Crime novel-lovers and if you liked the first novel you will certainly like this one.0 von 0 Kunden fanden die folgende Rezension hilfreich. Michael Bennett Von Ruediger Der Charakter der Hauptperson ist sehr schn und deutlich gezeichnet. Die Handlungsablaufe sind teilweise sehr brutal und die privaten Geschehnissen driften manchmal ins Klischeehafte ab.

Kurzbeschreibung Detective Michael Bennett is on the trail of a deadly killer who is terrorising New York in this Sunday Times No. 1 bestseller. A man who calls himself 'the Teacher' is devising a meticulous plan. Cold-hearted and cunning, it is time for everyone to learn his name as he teaches New York a lesson it will never forget. Intent on exacting revenge and causing mass hysteria, he embarks on the worst killing spree the city has ever seen. The whole New York Police Department is tested to its limits; none more so than Detective Michael Bennett as the Teacher leads him on a terrifying chase that brings danger perilously close to home. Pressestimmen "... brilliant. It feels just like you're reading a Bruce Willis film - switch off brain, and turn on the entertainment. Take it for what it is, a great holiday read" (News of the World)"Its breakneck pace leaves you gasping for breath. Packed with typical Patterson panache ... it won't disappoint his millions of fans for a single moment" (Daily Mail) Werbetext A fast-paced, exciting sequel to the bestselling, powerful thriller, Step on a Crack
