**Von Christy Reece : Run to Me: A Novel (Last Chance Rescue (Eternal Romance))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Run to Me: A Novel (Last Chance Rescue (Eternal Romance))):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Very enjoyable bookVon Helen HancoxIt wasn't until the end of this book that I finally realised I had been mixing up this author with another. I thought, as I read it, that the author had really improved her writing and I was glad that she was now focusing on the story taking place in America rather than Africa because it was consequently much more believable. It turns out those books were written by Stephanie Tyler but I spent most of this book thinking they were part of the same series; perhaps I am reading too many action adventure romances! I had read books by Christy Reece before but didn't find them as good as this one. I awarded 'Last Chance' 4 stars and 'No Chance' 3 stars, but Run To Me was definitely an improvement. This book focused heavily on Shea Monroe, a woman who is rescued from a kidnapper who has kept her in a drug-induced haze for months, brainwashing her into doing things for him. Shea is rescued by her former lover Ethan Bishop; she's lost her memory so he knows she doesn't remember how he failed her in the past - he wants to make the most of time with her when she doesn't hate him. But Shea needs to remember the past to see if she can identify clues as to the location of her former kidnapper, a very dangerous man. But will this return of memory mean the end for her budding romance with Ethan? The power in this book was in its characterisation. I felt that the initial scenes, where Shea is rescued and is trying to see through the fog of her drugged mind into what is real and what is programming, were excellent. Shea was painted as an appealing and strong character and I found myself cheering her on as she made progress. Ethan was a little more annoying as he seemed to be behaving a bit stupidly at times. I didn't feel the author painted such a convincing picture of him and it took a while before we learned what caused some of his stranger behaviour. There was a very clever plot twist in this story relating to one of the other kidnap victims which I didn't see coming and which may be explored further in a future book. Although this book is marketed as one of a trilogy (with 'Rescue Me' and 'Return to Me'), as it's part of the Last Chance Rescue series I imagine there are many more stories available with this group of tough characters. Based on the success of this story, I look forward to reading more. Originally published for Curled Up With A Good Book Helen Hancox 2011

KurzbeschreibungONE LAST CHANCEDriven by grief and fury, Shea Monroe, an operative for Last Chance Rescue, goes deep undercover, vowing vengeance against the man who killed her husband. Instead, she ends up a captive and the unwilling weapon of a vicious human trafficker. But then she is rescued from her den of terror and shame by her husband's best friend, Ethan Bishop, a man Shea feels irrevocably drawn to, despite her having lost all memory of her life before she was captured. Having saved Shea from a madman, Ethan will do anything to keep her safe, but he can't allow the feelings he once had for her to resurface. While recovering from her ordeal and regaining her lost memory, Shea begins to fall for Ethan. But the treachery and tragedies of the past won't leave either of them alone. And from Mexico, a monster has sent his foot soldiers to seize Shea using a weapon beyond anyone's worst nightmare. From the Paperback edition. Pressestimmen "So well written it literally gives you chills...a magnificent end to an amazing trilogy."
