She puts just the right humor and drama in her books to keep me reading on. The heroine was the perfect blend of innocence and maturity without ignorance. She was not a push over for the hero, he really had to work at having the heroine fall for him or so he thought. The hero has just the right amount of patience and thoughtfulness to understand that something happened to the heroine to take his time with her. When the heroine's secret came out the hero realizes that he must get beyond her past to keep her, quickly, and that is the way I like to read an ending.0 von 0 Kunden fanden die folgende Rezension hilfreich. A definite delight!Von Ein KundeThis book combines the best of

Davidson with wit, charm, and love. A funny and refreshing book! If you want to laugh, cry, and find love then this book is for you! This book will stay on my keeper shelf for years to come!

KurzbeschreibungA Make-Believe MarriageCassie Phillips wasn't really married to Will Tolliver, no matter what he told people. Not that being the wife of a man as kind and thoughtful as Will wouldn't be a dream come true. But even Will would abandon her once he learned what she was running from.Cassie Phillips was the kind of girl you took home to mother, and Will was determined to do just that. But he'd never expected that in order to protect her he'd have to tell a lie that could get them both in a lot of trouble. Especially if he couldn't convince Cassie that marrying him for real was the right thing to do.KurzbeschreibungA Make-Believe MarriageCassie Phillips wasn't really married to Will Tolliver, no matter what he told people.
