Kurzbeschreibung***Longlisted for the 2015 CWA Ian Fleming Steel Dagger award for best thriller***Runner is a pulse-pounding, A-grade adventure thriller from acclaimed author Patrick Lee. Sam Dryden was done being a hero. But when, acting on instinct, he hides a terrified young girl from a group of well-armed pursuers, his fate is sealed. Eleven-year-old Rachel can't remember much, but she knows she was imprisoned by the men trying to kill her. And that she is important to them. In Dryden, though, Rachel has found the perfect protector. An ex-soldier with the kind of elite military career he's not at liberty to talk about, Dryden's a man well versed in secrets, and driven to do what's right. But hunted and on the run, it's only as Rachel's memory returns that Dryden begins to fully appreciate the scale of the dangers they face. And then only one thing matters: Don't. Get. Caught. Introducing a fantastic new series character, ex-soldier Sam Dryden. Runner is an outstanding high-concept thriller that grips and entertains like your favourite Hollywood action movie. For those who love Lee Child, Simon Toyne and Dan Brown, Patrick Lee's rollercoaster of a thriller is not to be missed. Pressestimmen Veteran actor Esparza knows how to handle action while giving the characters necessary depth. This thriller never slows or falters. Booklist Raul Esparza's high-speed narration sets listeners up for one wild ride. He manipulates his cadence throughout his narration, and the effect is nothing short of game changing as a listening experience. The only disappointment in this listen is that it ends. AudioFile Magazine Patrick Lee is a huge talent and Runner is his best book yet breathless, involving, smart, and completely convincing. Lee Child Pure adrenaline rush! Finally, an action-packed novel brimming with complex characters as well as genuine heart. Not to be missed. Lisa Gardner, New York Times bestselling author of Touch and Go and Catch Me Im going to sue Patrick Lee for giving me whiplash: that's how furiously paced this book is. A terrific cast of characters, unrelenting action strap in and enjoy the ride. Jesse Kellerman, author of Sunstroke and Trouble This is a thriller done right. It literally begs to be read in one sitting. I said it before and I'll say it again. Patrick Lee is the real deal. Steve Berry, New York Times bestselling author of The Amber Room and The Columbus
