Von Aleksandr Afanas'ev : Russian Fairy Tales (The Pantheon Fairy Tale and Folklore Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Russian Fairy Tales (The Pantheon Fairy Tale and Folklore Library):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A huge

collection Von Stephen Arkanell What the Grimm Brothers did for fairy tales in Germany, Afanas'ev did for Russia. Over the course of his lifetime (1826-1871), he collected countless of these wonderful little stories from common folk, just as the Grimms did. This collection contains stories of adventure and enchantment, animal fables and more. Included are stories of Vasilissa and Baba Yaga, the witch whose house was built on chicken feet, and the famous story of the giant turnip. There's even some stories about vampires. But be prepared, this book is huge! And every bit of it distinctly Russian.

Kurzbeschreibung The most comprehensive collection of classic Russian tales available in English introduces readers to universal fairy-tale figures and to such uniquely Russian characters such as Koshchey the Deathless, Baba Yaga, the Swan Maiden, and the glorious Firebird. Beautifully illustrated, the more than 175 tales culled from a landmark multi-volume collection by the outstanding Russian ethnographer Aleksandr Afanas'ev reveal a rich, robust world of the imagination. Translated by Norbert Guterman Illustrated by Alexander Alexeieff With black-and-white illustrations throughout Part of the Pantheon Fairy Tale and Folklore Library Pressestimmen Rambunctious, full-blooded, and temperamental, these stories are tense with action, magical, and human. They are gorgeous. Eudora Welty The oral folk tradition in Russia was truly a magic spring [that] flowed inexhaustibly, reviving, consoling, and enlightening all who partook of it . . . These stories have an ingenuity that marks them as uniquely Russian. Time A beautiful book. I recommend it to all readers, young and old, who are interested in the folktale and its unique qualities. Isaac Bashevis Singer, The New York Times Book Luckily someone garnered these jewels before they were lost [and] bound them into one volume before they disappeared . . . It is filled with action, magic, and humanity. St. Louis Globe-Democrat Kurzbeschreibung The most comprehensive collection of classic Russian tales available in English introduces readers to universal fairy-tale figures and to such uniquely Russian characters such as Koshchey the Deathless, Baba Yaga, the Swan Maiden, and the glorious Firebird.
