Von Barbara Freethy : Ryan's Return (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ryan's Return (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. I wonderful touching story.Von Ein KundeRyan's Return is a wonderful book, a hard one to put down. Barbara Freethy

tells a story of a family torn apart by scandals and secrets that can only be reunited with love. There is the story of Ryan, the town's "bad boy" and his attraction with Kara, a good girl. A secondary love story is included, with Andrew, Ryan's brother. This novel tells a story of a father who can never stop loving his younger son. Brothers once close, now separated by misunderstanding. It's a tale of forgiveness, forgiving once parents, children, and girlfriends for the sins in their pasts. It's a tale of rising river, the father's love of that rushing water and Ryan's fear of the same river that makes his father and brother complete. Ms. Freethy employs the use of comic relief in this heavenly emotional story. One example is the fist fight Andrew and Ryan get into that lands them in jail. Read it and I guarantee that you won't be able to put it down. 0 von 0 Kunden fanden die folgende Rezension hilfreich. touching, BUT! Von -Kundetouching -- that is true, I might have lost a tear or two over the story. Especially all the family stuff. But, I really think every once in a while both the hero and the heroine were the most egocentric people ever. They both acted really, really selfish wherever his brother (supposedly her guy) was concerned. And both were in other ways far too perfect, I mean concerning looks and charm. And they knew it. Arg. Those two aspects annoyed me like hell!! There was a sweet minor plot, which I probably enjoyed more than the main storyline. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Really enjoyable Von Ein Kunde This book was fast to read. I didn't want to put it down. I was afraid that it would be much like the other "bad boy returns" books but it was not. There was a lot going on to make this very enjoyable.

Kurzbeschreibung From # 1 NYT Bestselling Author Barbara Freethy comes an emotional and romantic standalone contemporary novel about love, family and a little bit of magic. Famous photojournalist Ryan Hunter has come back to a family torn apart by mistrust and resentment -- to the father who disowned him, to the brother who betrayed him, to the little boy who shares his features. Ryan, the charismatic "bad boy" son, has returned -- stirring up past conflicts like a whirlwind...and throwing Kara Delaney's fragile, passionate heart into turmoil. Kara has struggled back from a disastrous marriage to build a new life for herself and her little girl -- a peaceful existence now jeopardized by vicious, small town politics, by her daughter's fanciful ghost stories...and by Ryan's return. Now nature's impending fury threatens to expose long-buried secrets. And Kara must join with the enigmatic, misunderstood Ryan -- to discover the truth that will save their families.... and to explore a dangerous, irresistible love as mighty and enduring as the onrushing river. s..."A superlative novel that proves everyone can indeed go home again." Debbie Macomber "Barbara Freethy delivers strong and compelling prose ..." Publishers Weekly "I couldn't put this book down. The characters were brought to life as the pages turned. Ryan, oh Ryan.. What he went through along with his brother, Andrew, his father Jonas. A broken family.. Untold Secrets, and the lies they told themselves. A truly moving story. Ryan is courageous, smart, hot !!!" Krystal - Goodreads on Ryan's Return "This book kind of has a Nora Robertsish feel to it for me, I really enjoyed it. It has romance, family drama, small town politics, and even a little paranormal aspect thrown in. If you're looking for a sweet, tug-at-your-heartstrings, easy read this is it!" Shannon - Goodreads "What an exhilarating read! I loved the characters each believing in their knowledge of the truth. Truths that in actuality were misjudgment that they allowed to rule their lives. The river for me actually became a living breathing person that controlled, guided, destroyed and finally brought understanding and love to the characters in the story. The bonds between father and sons, mother's and daughters were so real and heartrenching that you couldn't help but identify with their struggles, fears, passions, weaknesses and finally cling in to their own recognition of the real truth and how it released them to finally embrace the life they were meant to live." Simone Goodreads on Ryan's Return "Rising contemporary star Barbara Freethy hammers home deep and complex emotions in RYAN'S RETURN, a wonderful and powerful book." Romantic Times Magazine "A powerful story of families shattered years ago, and brought together by love, RYAN'S RETURN is a compelling read no one should miss." GENIE Romance and Women's Fiction Exchange. "Ryan's Return is a beautiful and touching tale of redemption and second chances for people who believe in neither." Affaire de Coeur Magazine Pressestimmen "A superlative novel that proves everyone can indeed go home again." --Debbie Macomber, New York Times bestselling author Kurzbeschreibung From # 1 NYT Bestselling Author Barbara Freethy comes an emotional and romantic standalone contemporary novel about love, family and a little bit of magic.
