Von AJ Thompson : Ryder (Devil Rides MC Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ryder (Devil Rides MC Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. good bookVon AnneLiked the book a lot, there are a few typos and some wrong words like "meant instead of meet or met,

but it was a good story and I liked the HEA. Now waiting for the next in the series.

KurzbeschreibungPresident of the Devil Rides MC Ryder Matthews lost his wife and unborn son in a terrible car accident, leaving him to raise his three teenage daughters on his own. Between home life, club business, and slowly hitting rock bottom Ryder never expected to meet Rachael. Rachael Owens was living a nightmare until she packed up what was left of her life and moved to New Bent, Colorado. Starting over again wasn't easy but it was something she needed to do to find happiness again. Ryder and Rachael must learn to leave the past in the past, and find love again. Will Rachael be enough to help Ryder and his daughters fight the darkness or will it all come crashing down. This book contains sexual situations and strong language not suitable for younger audiences.
