Von Chantal Fernando : Ryder (Resisting love) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ryder (Resisting love) (English Edition):

Kurzbeschreibung Ryder Crawford is going places. His band Morning Alliance, has just gotten signed, and are now touring with one of the most popular bands in the world. When he meets Lexi Raine, the timing couldnt have been worse. But like they say, love finds you when you arent looking for it. The stunning blonde manages to turn his world upside down, through the fierce connection they share. When Ryder is given the choice between the past and present, he is forced to choose between his career, and a woman he has felt something for like no other. Will he make the right choice? Or spend the rest of his life living with regret? Lexi is all alone in the world, besides her best friend and partner in crime Tee. After traveling around the world, drifting from place to place, she tries to settle down in Perth, the place she grew up in. When she meets Ryder, he seems almost too good to be true. What happens when she finds out that when things seem too good to be true, they usually are? Kurzbeschreibung Ryder Crawford is going places. His band Morning Alliance, has just gotten signed, and are now touring with one of the most popular bands in the world. When he meets Lexi Raine, the timing couldnt have been worse. But like they say, love finds you when you arent looking for it. The stunning blonde manages to turn his world upside down, through the fierce connection they share. When Ryder is given the choice between the past and present, he is forced to choose between his career, and a woman he has felt something for like no other. Will he make the right choice? Or spend the rest of his life living with regret? Lexi is all alone in the world, besides her best friend and partner in crime Tee. After traveling around the world, drifting from place to place, she tries to settle down in Perth, the place she grew up in. When she meets Ryder, he seems almost too good to be true. What happens when she finds out that when things seem too good to be true, they usually are? ber den Autor und weitere Mitwirkende I'm 26 and a mother of three beautiful little boys. I live in Western Australia. I love to read and write; I'm a dreamer. Ryder is my novella in the resisting love series :)
