Von Jane Charles : Sacked (To Love a Governess Regency Short) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sacked (To Love a Governess Regency Short) (English Edition):

Kurzbeschreibung Elizabeth Claywell ran away from her uncle when he arranged a marriage with his sixty-year-old friend. She soon finds herself in the position of governess for Lord Jared Fairfield, who inherited five little girls along with the title. Of all gentlemen she met in London, Lord Fairfield is the only one she has ever desired. Jared has wanted Elizabeth since he first saw her in London two years ago, but only managed to secure two dances. When he stumbled across her on the street he offered the position of governess to get her into his home. Now he intends to get her into his bed. This is a short story of approximately 15,000 words.
