**Von Faye Kellerman : Sacred and Profane (Peter Decker and Rina Lazarus Series Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sacred and Profane (Peter Decker and Rina Lazarus Series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Could

have used a bit more Rina... Von Ken Kibby Since I am the proud owner of all of Kellerman's Decker/Lazarus mysteries (up to Jupiter's Bones), it should be my duty to comment on each one of them. For #2, I think that Rina could have played a more significant role in the case. It seems that Decker had to handle all of this on his own, yet it was Rina's sons who opened the case. However, the real good parts included the reality of sex cults that seem to harbor people who are too young for the adult-oriented lifestyles. I haven't seen people like these where I live, but I'll bet L.A. is full of them! I have yet to pull Milk and Honey out of my stash, but once I've read it, will be hearing from me again!

**Kurzbeschreibung** The award-winning international and New York Times bestseller Faye Kellerman is on top form in this tense page-turner, the second book of her Peter Decker and Rina Lazarus crime thriller series. Los Angeles Police Detective Peter Decker had grown very close to Rina's young sons, Sammy and Jake, as he had to their mother, and he looked forward to spending a day of his vacation camping with the boys. A nice reprieve from the gruelling work of a homicide cop until Sammy stumbles upon a gruesome sight . . . Two human skeletons, charred beyond recognition, are identified by a forensic dentist as teenage girls and for Decker, the father of a sixteen-year-old daughter, vacation time is over. Throwing himself professionally and emotionally into the murder case, he launches a very personal investigation: a quest that pulls him deep into the crack dens of Hollywood Boulevard and painfully close to the children of the streets and a nightmare world he must make his own.

**Kurzbeschreibung** The award-winning international and New York Times bestseller Faye Kellerman is on top form in this tense page-turner, the second book of her Peter Decker and Rina Lazarus crime thriller series. Los Angeles Police Detective Peter Decker had grown very close to Rina's young sons, Sammy and Jake, as he had to their mother, and he looked forward to spending a day of his vacation camping with the boys. A nice reprieve from the gruelling work of a homicide cop until Sammy stumbles upon a gruesome sight . . .
