Von Paul Finch : Sacrifice (Detective Mark Heckenburg, Book 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sacrifice (Detective Mark Heckenburg, Book 2):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Besser als der erste HeckenburgVon BenGunSacrifice ist das zweite Buch der DS Heckenburg Reihe. Paul Finch versteht es, Spannung zu erzeugen. Die Beschreibung der Morde ist sehr gut gelungen; behaupt kann man sich die ganze Geschichte gut als Film vorstellen. Mir gefällt dieses Buch besser als das erste der Reihe (Stalkers), weil Heck hier

mehr als Ermittler in Erscheinung tritt und nicht von einer blenden Schlogerei in die nächste geht wie im ersten Buch. Dennoch ist Heck nicht unbedingt ein Sympathieträger, dafür ein scharfsinniger und eigenwilliger Ermittler. Die sympathischste Figur des Buches ist meines Erachtens die Polizei-Pressesprecherin Claire Moody, die als einzige halbwegs normal menschlich reagiert und dadurch grandios scheitert. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend Von -Kunde Tolles Buch - sehr spannend, manchmal etwas langwierig, aber alles in allem eine super Heck-Geschichte. Freue mich auf die nächsten Bücher

Kurzbeschreibung Innocent people are dying. Who will be next? Find out in the second Detective Mark Heck Heckenburg from #1 ebook bestseller Paul Finch. A vicious serial killer is holding the country to ransom, publicly - and gruesomely - murdering his victims. When a man is burnt alive on a bonfire, it seems like a tragic Guy Fawkes Night accident. But with the discovery of a young couple on Valentines Day each with an arrow through the heart something more sinister becomes clear. A calendar killer is on the loose. Detective Mark Heck Heckenburg is up against it. With a rising body count and the public's eyes on him, Heck must find the killer before he executes more victims. Because this killer has a plan. And nothing will stop him completing it. A heart-stopping and grisly thriller that will enthral fans of Stuart MacBride and Katia Lief. Pressestimmen Praise for STALKERS: [Stalkers] is ace. Really terrific, compulsive stuff which was given top marks definitely a talent to watch. (The Bookseller: One to Watch) Stalkers is a very dark premise it'll have you by the throat until you get to the end. (Books and Writers) Praise for SACRIFICE: Avon's big star part edge-of-the-seat, part hide-behind-the-sofa! (The Bookseller) "Edge-of-the-seat reading Heck is formidable a British Alex Cross. THE SUN Wonderfully dark and peppered with grim humour. Finch is a born storyteller and writes with the authentic voice of the ex-copper he is. PETER JAMES" An ingenious and original plot. Compulsive reading. RACHEL ABBOTT A deliciously twisted and fiendish set of murders and a great pairing of detectives. STAV SHEREZ Avon's big star part edge-of-the-seat, part hide-behind-the-sofa!
