Von Thrawn95 Sacrifice is only the second novel from Will Jordan yet he deftly continues to make the thriller genre his own, by weaving a compelling and action packed story together with the stark and vivid backdrop of Afghanistan! The author really did his homework and brings the country of eternal battle to life with ringing

authenticity. Add grounded and interesting characters into the mix and throw in the occasional narrative curve ball and you get a true page turner. Well done, Will Jordan! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Great sequel to 'Redemption' Von TinaGe Another great story about Ryan Drake and his Shepherd Team. Great characters, much historical and actual background about the Afganistan war and all sorts of 'societies' involved. Unexpected twists that lead to unexpected help. Great book. I hope to read more about Ryan Drake and our other protagonists soon. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Ryan Drake Sacrifice!! Von Robert Lamb Wow what a wild rollercoaster ride of a story this book was. I thoroughly enjoyed it. It had me totally hooked from the first page on. I can't wait to see what happens in the next book of the trilogy.

Kurzbeschreibung Afghanistan, 2008. A Black Hawk helicopter carrying a senior CIA operative is shot down by a surface to air missile, its lone passenger taken hostage by a fanatical new insurgent group. Knowing this man holds information vital to the ongoing conflict, the CIA bring in Ryan Drake and his elite Shepherd team to find and rescue their lost operative. But nothing is what it seems, and within hours of arriving in the war-torn country, Drake and his team find themselves caught in a deadly conflict between a brutal terrorist warlord and the ruthless leader of a private military company. And lurking in the shadows is a woman from Drake's past determined to settle old scores. Pressestimmen- "A high-octane and fast paced tale of derring-do set in the world of elite investigation and black-ops that had me hooked throughout... One of the strongest aspects of this book is Jordan's grasp of characterisation as Drake is a compelling and empathetic protagonist... Overall a very creditable debut and bodes well for a long running series featuring this new action-hero." --"Raven Crime Reads""Written at breakneck pace, complete with extensive firefights and brutal weaponry, this is a heart-stopper for anyone who likes plenty of action and explosions." "Daily Mail""Another assured book in this compelling series, with thrills, spills and skulduggery at the highest levels of the U.S. security departments. Packed with high-octane action scenes and perfectly placed militaristic detail there is much to entertain any reader of this genre." "Raven Crime Reads""Werbetext The compelling new thriller in the high-octane series featuring British CIA agent Ryan Drake.
