**Von Agatha Christie : Sad Cypress (Poirot) (Hercule Poirot Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sad Cypress (Poirot) (Hercule Poirot Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I just love Agatha Christie's booksVon Maja TrzeciakI just love Agatha Christie's books and this is no different. The important thing is, that this collection looks great with interesting covers, the size of the text inside the book is big enough to read without making eyes tired and the size of the whole book is very handy. I already have 7 books and

gonna buy more.0 von 0 Kunden fanden die folgende Rezension hilfreich. es geht nichts ber Agatha Christie....Von peti4969super geschrieben, sehr schne englische Ausdrucksweise, wie von Agatha Christie nicht ander zu erwarten ist. Ich lese sie sehr gerne, um mein Englisch aufzupolieren ;-)

Very goodVon Harriet HasencleverI enjoyed it . I don't see the need to say more. It's a classic mystery. That's that. No more.

KurzbeschreibungAn elderly stroke victim dies without having arranged a willBeautiful young Elinor Carlisle stood serenely in the dock, accused of the murder of Mary Gerrard, her rival in love. The evidence was damning: only Elinor had the motive, the opportunity and the means to administer the fatal poison.Yet, inside the hostile courtroom, only one man still presumed Elinor was innocent until proven guilty: Hercule Poirot was all that stood between Elinor and the gallowsFrom Library JournalThis recording of Sad Cypress features Christie's super detective, Hercule Poirot (e.g., Murder on the Orient Exress, Audio s, LJ 4/1/94), and a reading by David Suchet, who is well known for playing Poirot on BBC television. The story concerns Elinor Carlisle, accused of murdering another young woman while in a jealous rage. The evidence against Elinor is overwhelming, and she seems destined for prison until a friend and admirer engages Poirot. What follows is the usual Christie puzzle, which listeners are invited to help solve. Suchet reads superbly and provides each character, especially Poirot, with a distinct personality. While this is not Christie's best book, it is nonetheless entertaining. Recommended for mystery collections.Nancy R.
