**Von Anonymous : Sadopaideia (Harper Perennial Forbidden Classics)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sadopaideia (Harper Perennial Forbidden Classics):

Kundenrezensionen Hilfreichste Kundenrezensionen 3 von 3 Kunden fanden die folgende Rezension hilfreich. An Erotic English Classic Von b4thedawn@webtv.net I found the book to be insightful from both points of view [sadist and masochist]. It was beautifully written. The author must surely know first hand the art it takes to bring one to to such

pleasure. I found it to be most stimulating.

Kurzbeschreibung Sadopaideia is a shocking, explicit, classic tale of Sado Masochism at the heart of English high society. Set in London and the Dorset coast, in an era of English history where corporal punishment was freely dispensed, the characters represent the core principles of disobedience, chastisement and compliance. How far is too far? Cecil Prendergast has a problem. He has been selected by Muriel Harcourt and her maid as the third dimension in their relationship. The 'problem' is that Muriel likes to beat Cecil's backside with a bamboo cane. Before long, a new master emerges and Cecil finally asserts his dominance. Through disciplinary scenes, he wages a war of retribution via stinging pleasure and mutual consent and punishes Muriel, her maid and Muriel's two nieces in turn.
