Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Entertaining and just a little confusing.... Von Ein Kunde I certainly enjoyed Molly Weatherfield's second installment in the adventures of Carrie as she pursued her fantasies. As in the first book there isn't any prolonged graphic sexual activity descriptions. I wish Molly had spent more time on Mr. Constant as Carrie's new master he did seem

interesting. The interesting relationship between Jonathan and Kate is further explored but towards the end Molly gives away the ending. When Kate gives Jonathan the money to buy Carrie's contract you can see the writing on the wall. Since that was at the end it certainly was fun getting to it.0 von 0 Kunden fanden die folgende Rezension hilfreich. IrreVon Ein KundePersnlich fand ich den zweiten Teil besser als den ersten, aber das ist Geschmacksache. Ich mochte auch das Ende, obwohl man sollte es nicht zuerst lesen, wie ich, nimmt die Spannung.Die Geschichte zwischen Jonathan und Kate ist interessant, wre einen eigenen Teil wert.0 von 0 Kunden fanden die folgende Rezension hilfreich. funVon Ein KundeMaybe not quite as good as Carrie's Story, but still lots of fun (and I think I read all the words in this one too).

Carrie leaves Jonathan, the S/M master who initiated her into a life of slave auctions, training regimes, and human ponies preening for dressage competitions. Whisked away to Greece by the demanding gentleman who has chosen her as his own, she learns new, more rigorous methods of sexual pleasure.Pressestimmen"My favorite neo-Victorian erotic romance writer."KurzbeschreibungFrom the author of Carries Story comes the continuing tale of a young womans uncompromising sexual adventure.
