Von Candace Blevins : Safeword: Quinacridone (Safewords Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Safeword: Quinacridone (Safewords Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Blevins eben Kraftvoll und UnvorhersehbarVon lesespassSie schafft es immer mich zu berraschen und mich neugierig zu halten auf was sich die Autorin jetzt einfallen lt. Aber sie balanciert auch meisterlich auf dem schmalen Grat

zwischen Faszination und Abscheu. Hier geht es um Objectification and body modification - beides ein sehr schwieriges Thema. Aber nach diesem Buch konnte ich wenigstens ein bisschen verstehen.

Kurzbeschreibung What happens when an introverted artist who only likes sex when it's a one-night stand meets a computer-geek-extraordinaire with his own sexy secrets? Objectification, romance, pain, adoration, lots of kinky toys, and oodles and oodles of wonderfully imaginative sex. Join Cara and Travis on their journey to mesh their distinctive sexual tastes into a loving relationship with blow-your-mind kink.

Ob*jec*ti*fi*ca*tion: 1. Treating a person as an object for use, with no regard for a person's personality or sentience. 2. Regarding someone as a commodity; considering them merely an instrument towards one's sexual pleasure.

Examples of OBJECTIFICATION: 1. A woman is on her back at the edge of a tall bed with hands and feet bound together and restrained above her head. A curtain drapes from a canopy above and puddles on the backs of her thighs. The man about to penetrate her sees only female genitals available for use. 2. A woman is dressed in a full latex blow-up doll costume with durable latex 'pockets' stuffed into her orifices. She is bound into a position giving easy access to all three holes at a party. Her face is completely covered excepting nose and mouth. The men do not know who is in the costume.

305 pages. 118,000 words

Safeword: Quinacridone is a stand-alone book. You do not need to have read the previous books in this series.

Warning: This title contains graphic language, consensual BDSM, extreme objectification, bondage, watersports, chemical play, fisting, temporary body modification with saline injections, and the use of toys including clamps, canes, plugs, paddles, whips, floggers, and zip-ties.

ber den Autor und weitere Mitwirkende Candace Blevins is a southern girl who loves to travel the world. She lives with her husband of 15 years and their two daughters. When not working or driving kids all over the place she can be found reading, writing, meditating, or swimming. Candace writes romance books about characters who happen to have some extreme kinks. Relationships can be difficult enough without throwing power exchange into the mix, and her books show characters who care enough about each other to fight to make the relationship work. Each book in the Safeword series highlights a couple with a different BDSM issue to resolve. All books are standalone books and can be read in any order, with the exception of the two Davenport books, since Safewords: Davenport and Chiffon is a sequel to Safeword: Davenport.
