KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. BDSM, sexy, Happy endingsVon lesespassDieses Buch ist sehr sexy, nachvollziehbar und gut zu lesen. Was tun 2 Leute um

eine Beziehung hin zu bekommen, die unmöglich erscheint? Wie viele Verhandlungen, Kompromisse, Erfahrungen und Entgegenkommen sind möglich und notwendig? Zugegeben, das Ende ist mehr happy als realistisch, aber trotzdem schön und die Entwicklung sehr, sehr sexy mit BDSMscenens vom feinsten. Sehr phantasievoll. Ein kleiner Wermutstropfen für mich war das obsessive Waffentragen. Für meinen Geschmack wurde der Waffenlobby zu oft die Fahne getragen. Ein großer Lesespass, für Freunde des Genres eine gute Unterhaltung!

Kurzbeschreibung Tyler and Viv have found each other again after a three day fling three years ago. Ideally suited for each other, they try to make a relationship work. However, they soon realize Tyler was expecting a twenty-four/seven total power exchange and Vivian will never be a twenty-four/seven submissive. As they try to find a compromise, Vivian must deal with what a Total Power Exchange means, even if its only a part time power exchange, and Tyler must decide if he can live with a sometimes-Master and sometimes-boyfriend relationship. Will they find their pot of gold at the end of the rainbow? This title was published in 2010 with less than half the current content. The story has been considerably rewritten and contains a great deal of new material. We think its a far better story now, but if you read the original, you can be the judge! 231 pages, 87,000 words Warning: Contains graphic language, consensual BDSM, bondage, and the use of toys including clamps, canes, plugs, paddles, and floggers.

ber den Autor und weitere Mitwirkende Candace Blevins is a southern girl who loves to travel the world. She lives with her husband of 15 years and their two daughters. When not working or driving kids all over the place she can be found reading, writing, meditating, or swimming. Candace writes romance books about characters who happen to have some extreme kinks. Relationships can be difficult enough without throwing power exchange into the mix, and her books show characters who care enough about each other to fight to make the relationship work. Each book in the Safeword series highlights a couple with a different BDSM issue to resolve. All books are standalone books and can be read in any order, with the exception of the two Davenport books, since Safewords: Davenport and Chiffon is a sequel to Safeword: Davenport.
