Von Anonymous, Snorri Sturluson, William Morris, Jennie Hall : Saga Six Pack Beowulf, The Prose Edda, Gunnlaug The Worm-Tongue, Eric The Red, The Sea Fight and Sigurd The Volsung (Illustrated) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Saga Six Pack Beowulf, The Prose Edda, Gunnlaug The Worm-Tongue, Eric The Red, The Sea Fight and Sigurd The Volsung (Illustrated) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A true

saga. Von Teddy Bear The story of Beowulf is a weighty one. Many will remember the name of Beowulf and Grendel, the monster from college reading. It's remarkable that the author of Beowulf was lost over time during the retelling of the tales in front of winter fires so long ago. The author added a wonderful touch with the history of Norway's early storytellers and their evolution. I found this collection presented in an orderly fashion that gave a hand to the readers comprehension. This is a collection that every reader that fancies themselves a student of the art of literature should not miss. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Evocative Von Hypnotist 101 Looks like a lot of us read Beowulf as a school exam study, but frankly I know I was way too young to appreciate it back then, so I picked up this collection to tick off my list of 'revisits', and it turned out to be a fantastic choice. Of course, Beowulf is a remarkable and evocative piece of literature, but there's so much more in here, spanning almost a millennia of Norse folklore, gods and kings alike. Not for the faint hearted, but thoroughly worthwhile if you're looking for something a bit special. A real window into the north lands' ancient culture. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful collection of Viking folklore Von Grace Wedel A fascinating collection of stories from the past. Brought up in Scandinavia I really appreciated reading about Eric The Red the great Viking and his many adventures. I enjoyed catching up on the old tales of the folklores of the Vikings that I learned about in school, but look at with a better understanding now. When I saw the bargain price of a dollar I couldn't resist purchasing the set. It was money well spend and if you are interested in medieval Viking folklore, this collection is for you.

Kurzbeschreibung ****OUT NOW -- Saga Six Pack 8 - The Bondman, Red Jason, The Waif Woman and more.**** Viking longships and magic amulets. Shape-shifting elves, warrior princes and fire-breathing dragons. Welcome to the epic poetry of the North Atlantic. Welcome to THE SAGAS! He was elected twice as a law-speaker at the Icelandic parliament, the Althing. He was the author of the Prose Edda or Younger Edda, which consists of Gylfaginning ("the fooling of Gylfi"), a narrative of Norse mythology, the Skldskaparmál, a book of poetic language, and the Httatal, a list of verse forms. William Morris (1834-1896) was an English textile designer, poet, novelist, translator, and socialist activist. Associated with the British Arts and Crafts Movement, he was a major contributor to the revival of traditional British textile arts and methods of production. His literary contributions helped to establish the modern fantasy genre, while he played a significant role in propagating the early socialist movement in Britain. John Lesslie Hall (March 2, 1856 February 23, 1928), also known as J. Lesslie Hall, was an American literary scholar and poet known for his translation of Beowulf. He taught English history and literature at the College of William and Mary from 1888 to 1928 and was one of the original members of the faculty which reopened the college in 1888. Arthur Gilchrist Brodeur (1888-1971) was a scholar of early English, German, and Old Norse literature at the University of California, Berkeley. He was known primarily for his scholarly work on Beowulf and his translation of Snorri Sturluson's Prose Edda for The American-Scandinavian Foundation, but also as a writer of pulp fiction and for his left-wing politics.
