Knnte Inger seinVon Julia HaresfordAls Fan von Amber Kell und Ihrer Serie "The Thresl Chonicles" musste ich natrlich auch diesen Band unbedingt haben. Die Geschichte erschliet sich bereits aus dem Titel Saint schnappt sich seinen

Lebenspartner und kehrt zu seinem Heimatplaneten zurück. Ohne die vorherigen Bände ist dieser Band vermutlich eher unverständlich ansonsten ein netter MM-Happen für zwischendurch. Der im Hintergrund agierende Hauptschmuggler wird endlich entdeckt aber ein wirkliches Serienende vermute ich hier eher nicht. Immerhin werden einige Geheimnisse der bisherigen Geschichten gelöst.

Kurzbeschreibung Previously Released After centuries of isolation, Saint has returned to reclaim what is his Saint, a Thresl of unimaginable power, has spent centuries trapped beneath rubble. Now free, he is determined to claim both his throne and his mate. Anyone who stands in his way will be annihilated. Marsley Jacks is unsure if he wants to be the mate of a ruthless Thresl. After spending most of his life protecting the shifters, he's unsure if allowing a power-hungry Thresl take over is the best thing for the species. Two men with opposing views will they come together in time to save their people?
