**Von J.D. Robb : Salvation in Death (In Death, Book 27)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Salvation in Death (In Death, Book 27):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. One of the best In Death books so far - a must readVon Katzenjammer123"Salvation in Death" number 27 in the In Death - series is one of the best so far. There are two cases (one especially seizing), Eve and Roarke at their top and a lot of Peabody, McNabb and co. - so there's all a good "In Death"- book needs."Salvation in Death" starts with the murder

(through poison) of a catholic priest during mass. The priest, a highly appraised member of the community, seems to have no enemies and besides the church no real family. He cared especially about the youths in his community and every member of the church looked up to him. But when the autopsy of his body brings some old scars and a covered tattoo to light, Eve starts to realize that the priest may have some dark secrets in his past. And when the tattoo points to a ruthless gang of youths that terrorized the people in the community years ago Eve is no longer convinced that the priest really was the one who he posed to be. When another religious leader is killed in a similar way Eve and her team have to investigate if there is a serial killer on the hunt or if these cases have nothing to do with each other. Especially the first murder case is gripping and up until the end you don't really know the reasons for the murder. Case two is interesting as well and both show the reader that under the cover all can be different and that humans are experts in being pretenders. The combination of the church and Eve is really interesting and Eve is at her best although she is unsure about how to handle the catholic rituals and all that is going on in a church. But with her approach to respect people for what they do and not for what they are Eve handles the situation without too many complications. In this In Death Eve really seems to get a better grip about how to handle her past and I felt really happy when reading this. Roarke and she are hot as always and Roarke has some funny moments for which I adore him even more. He is there for her when certain aspects of the case trouble her but she is also there for him when he has to fight with some bad memories of his past. They just are a perfect team and I can't wait to read more of them and how they try to handle themselves and the relationships with their friends (especially Louise's and Charle's upcoming wedding). All in all this is a "classic" In Death - book that enthralls the reader from the first moment right to the end. So enjoy your copy of this fabulous book. S.M.3 von 3 Kunden fanden die folgende Rezension hilfreich. most boring read ever Von Roswitha123 I do love the In Death series over any other. So I was very disappointed that this one was absolutely unemotional up to page 200. It's clinically clean. It reads like a droid report :-). When it got more personal it started to be more exciting. The story behind it - only outlined in the book - is actually a very interesting and intrinsic plot. As a crime story it might be good. But I am no judge of that. I do not read crime novels without romantic suspense. Of course it does not have to be connected to Roarke, Eve oder any of their friends but it absolutely MUST have emotional depth. After I managed to finish this one, I started Promises in Death... YUMMIE so far. Gripped me from page 1. RoswithaSwitzerland0 von 0 Kunden fanden die folgende Rezension hilfreich. Vorsicht: Lesesucht Von Kindle-Kunde Wie immer wenn ein neues Buch aus dieser Reihe erscheint, wird es gelesen. Und es hat mir sehr viel Spaß gemacht, meiner Sucht zu fröhnen, da ich nicht enttäuscht wurde. Absolut lesenswert.

Kurzbeschreibung Ancient church rituals meet cutting-edge crime-solving in this thriller in the #1 New York Times bestselling series featuring NYPSD Lieutenant Eve Dallas. Seconds after partaking of wine during a Catholic funeral mass, Father Miguel Flores is dead on the altar. Detective Lieutenant Eve Dallas confirms that the consecrated wine contained enough potassium cyanide to kill a rhino. And though the East Harlem neighborhood is a long way from the stone mansion she shares with her billionaire husband Roarke, it's the holiness flying around St. Christobal's that makes her uneasy. The autopsy reveals faint scars of knife wounds, a removed tattoo and evidence of plastic surgery suggesting Father Flores may not be the man his parishioners thought. Now, as Eve pieces together clues that suggest identity theft, gang connections, and a deeply personal act of revenge, she hopes to track down whoever committed this unholy act. Until a second murder in front of an even larger crowd of worshippers knocks the whole investigation sideways. From the Paperback edition.
