**Von Lily Velden : Same Page (How the Light Gets In Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Same Page (How the Light Gets In Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Be prepared for sweet romanceVon Belle of the SheepI've been looking forward to this book and was not disappointed! Like in her other stories, Lily Veldens characters are not perfect, not without flaws and that's what makes them so realistic and loveable.If you're looking for a well written story about true love, characters that will grow on you,

steamy bedroom scenes and a good portion of humour, than this is the book you want to read. I loved to see how Liam and Jaxon develop a friendship and ultimately fall in love, with all consequences, with eyes only for each other, butterflies in the stomach, thinking about the other constantly, doing sweet, sappy, silly and embarrassing things, with the urge to touch and smooch all the time and being so in love it hurts. Anyone who's ever fallen in love head over heels and remembers the time of being newly enamoured will recognize themselves in those two. The setting in Australia is a wonderful change from the many "US-based" books I've read and it makes you want to book a flight sooner rather than later. I liked a lot, that you really get your money's worth, at 340 pages it's quite a long book. There remain some open questions at the end, but since this is book one, I think it will be all cleared up in the second book. I hope we don't have to wait too long for the second part. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Heavy romance at its best Von Bookfrog This is the first book of the "How the light gets in"-series. The focus is in the two MCs, Jaxon, a famous Hollywood actor and Liam, a reclusive artist, falling in love. It's heavily romantic, that might not be everyone's cup of tea, but I love me some sweet romance, so for me it really hit the nail right on the head. The author takes her time, the arc of suspense builds up slowly, but the story never got boring. There are books where the MCs fall in love so fast that I lost the connection to the characters because I couldn't relate to them any longer. In Same Page I was with those wonderful boys every step of their way and loved every minute of it. The second part is due in August and I already look forward to see how the relationship between Jaxon and Liam will work out.

Kurzbeschreibung Book One: How the Light Gets In He was like the only splash of color in a black-and-white photograph. The man was beautiful. At an exhibition opening in Sydney, jaded Hollywood heartthrob Jaxon Moncrieff lays eyes on publicity-shy artist Liam Lassiter for the first time and is immediately captivated. But he doesn't get far into their first conversation before he realizes what his feeling is attraction, which brings him up short. Jaxon has always been a womanizer. Despite his reservations, Jaxon makes a play for Liam, but Liam has his own issues. Unlucky in love and orphaned at sixteen, he is reluctant to open his heart to anyone, and dismisses Jaxon out of hand. Driven by a need he doesn't understand, Jaxon organizes a return to Sydney to film his next project. If he can't be with Liam, maybe they can be friends. Of course, that creates a whole new problem. Now Jaxon is falling in love for the first time. How can he move their relationship from friends to lovers without destroying the trust he's worked so hard for?
