Von Faye Kellerman : Sanctuary (Peter Decker and Rina Lazarus Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sanctuary (Peter Decker and Rina Lazarus Series):

Ich bin begeistertVon Ein KundeIch habe nun nacheinander alle Peter/Rina-Stories von Faye Kellerman verschlungen und kann sagen, dass dieses Buch eines ihrer besten ist. Die Geschichte ist sehr dicht durch die Verknpfung der persnlichen Angelegenheiten der Deckers und des aussenstehenden Kriminalfalles. Das jdische Umfeld, in das die Geschichte

verwoben ist, ist wie immer sehr interessant und gemeinsam mit den Diamanten eine wertvolle Erfahrung.0 von 0 Kunden fanden die folgende Rezension hilfreich. I can't wait for Mrs Kellerman's next Peter/Rina mysteryVon Ein KundeIn the realm of popular mystery stories, Mrs Kellerman's Rina Lazarus/Peter Decker series is without par, and the one I just finished, Sanctuary, is no exception. The book combines an intriguing mystery with a storyline that could have come out of yesterday's newspaper, together with the comforting touchstone of orthodox Judaic practice by people whom we end up truly caring about. The story is well-plotted, complex but not confusing, and the dialog rings true. I did not give it a "10", because I thought that should be reserved for books of fine literature or scholarship...but I was tempted.Cheryl Everett Montreal, QC Canada0 von 0 Kunden fanden die folgende Rezension hilfreich. This is Ms. Kellerman's bestVon Ein KundeI have now read all of Faye Kellerman's mysteries, and although I enjoyed every one, this is unquestionably her best in my opinion. The complexity of the story rivals that of a P.D. James, but the setting is familiarly California. I learned a great deal about Judaism and the fascinating world of diamond brokerage, but more importantly about the many roles that religion plays in our lives. It is, indeed, a "sanctuary," but can just as easily become a prison. Kellerman's characters are, as always, believable and richly developed. I never tire of her books!

KurzbeschreibungA nerve-jangling thriller from the award-winning international bestseller Faye Kellerman the seventh book in the Peter Decker and Rina Lazarus crime series.A diamond dealer and his entire family have mysteriously disappeared from their sprawling Las Angeles manor, leaving the estate undisturbed and their valuables untouched. Investigating detective Decker is stumped, faced with a perplexing case riddled with dead ends. Then a second dealer is found murdered in Manhattan, catapulting Decker and his wife, Rina, into a heart-stopping maze of murder and intrigue that spans the globe only to touch down dangerously in their own backyard.KurzbeschreibungA nerve-jangling thriller from the award-winning international bestseller Faye Kellerman the seventh book in the Peter Decker and Rina Lazarus crime series.A diamond dealer and his entire family have mysteriously disappeared from their sprawling Las Angeles manor, leaving the estate undisturbed and their valuables untouched. The father's trade is diamonds, a risky international business, and despite the lack of bodies Detective Sergeant Pete Decker knows something is wrong. Then Honey Klein, his wife Rina's old schoolfriend, comes to stay, pulling her children out of school on a surprise - and to Decker suspicious - jaunt. Honey's husband, whose religion has recently turned to fanaticism, is also in diamonds and according to his wife currently on business in Israel. Then Honey and her children vanish, their rented car found empty at the edge of the freeway, and again Decker senses danger - danger that stems from a network of ruthless international politics, danger that could spill on to his own family's doorstep...
