Von Suzie Carr : Sandcastles (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sandcastles (English Edition):

Lesbische Romanze ist hier eher NebensacheVon BenGunIch hatte dieses Buch mit der Erwartung an eine lesbische Romanze gewhlt. Diese Erwartung wurde hier in so fern enttuscht, dass es zwar eine solche zwischen Lia und Willow gibt, diese aber eigentlich nur Nebensache ist. In der Hauptsache geht es um andere Themen, wie etwa Work / Life

Balance, welche Trüme habe ich, wie gehe ich mit jemandem um, der (die) über hellseherische Fähigkeiten verfügt, welche Haltung habe ich zu alternativen Heilmethoden etc. Diese Themen werden am Beispiel der Freundschaft zwischen Lia, einer erfolgreichen Inhaberin einer Werbeagentur, und ihrem Angestellten / Freund Dean erzählt. Dies ist die eigentliche Haupthandlung. Nebenstrang ist die Liebe zwischen Lia und Willow, die sich schon seit ihrer Kindheit kannten, aber nie zueinander finden konnten, weil Willow wegen ihrer besonderen Fähigkeiten als Außenseiterin behandelt wurde. Erst nach Jahren treffen sie sich wieder. Wer also hier eine typische lesbische Romanze erwartet wird wohl enttäuscht werden. Für ein Buch über die o.g. Themen fand ich das ganze wiederum zu flach. Suzie Carr schreibt gut, ohne Zweifel, aber dies ist meiner Meinung nach nicht ihr bestes Werk. Tangerine Twist z.B. fand ich wesentlich besser

Kurzbeschreibung 2015 Rainbow Book Award Runner-Up for Lesbian Contemporary General Fiction 2015 Rainbow Book Award Runner-Up for Best Lesbian Book Lia is smart, successful, and best friends with Dean, a gay man who is just as neurotic as she. Life is smooth and flowing, unmarked by much more than a little family jealousy here and there, until she runs into Willow, an exciting enigma from her past. Willow, a psychic, receives a sense that something is off kilter surrounding Lia. Should she tell her, even though Lia, the person she's never been able to stop thinking about since childhood, might run the other way? It's a risk she decides to take, and Lia's curiosity surprises her. As truths about life, love and uncertainties are unearthed, Lia and Willow, two women in love with each other, along with their friend Dean, learn to seek strength from unexpected places and people. Along their journeys, the three learn what a struggle it is to maintain their sandcastles as they embrace the parts of their lives that really matter. This book delves into the empowering world of holistic health, natural medicine, naturopathy, reiki healing, acupuncture, and health and wellness.
