Von Jane Austen : Sanditon and Other Stories (Girlebooks Classics) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sanditon and Other Stories (Girlebooks Classics) (English Edition):

Kurzbeschreibung Also known as Sand and Sanditon, this unfinished novel was written in 1817, the last year of Jane Austen's life. The novel ends at CHAPTER 11, after a promising introduction of the seaside village of Sanditon, a few major characters, and several intriguing minor characters. This ebook also includes *The Watsons*, *Lady Susan*, *Frederic and Elfrida*, *Love and Freindship*, *Lesley Castle*. *The History of England*, *A Collection of Letters*, and *Scraps*.
Pressestimmen [In her earliest writings] we see the essential Austen . . . There is a force behind Austen's farcical energy which demands expression, an irony which will not be refused, a distinctive vision of life already apparent in the teenage writer . . . What grips one about the early works at every turn is the wit, the fire, the voice, the comic distance Austen sets up between herself and her fictional characters . . . *Lady Susan* is a classic, and *Sanditon* might have been Austen's greatest book, had death not prevented her from completing her final novel. from the Introduction by Peter Washington
Werbetext Readers of Jane Austen's six great novels are left hungering for more, and more there is: the marvelous unpublished manuscripts she left behind, collected here.
