Von Ron Hutchison : Santa Fe Crazy: None (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Santa Fe Crazy: None (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Not that funnyVon Kindle JunkieWith 5 x 5 stars and glowing recommendations I expected more. No laughing out loud here - but still some grins. Humorous, a bit wacky, parts of the storyline a bit far fetched (Mexican uprising planned in New

Mexico), well written (typos and poor editing are my pet peeves) and entertaining. 1 von 1 Kunden fanden die folgende Rezension hilfreich. afternoon delight Von Clifford L. Evans This book came highly recommended to me, so I bought a copy along with a Franz Liszt cd after church one Sunday. I slipped the cd in the player and thought I would read a little of the book and then come back later and finish it. I could not put the book down! With orchestral arrangements of Liszt in the background I spent two hours of absolute and total delight with Howard Spoon, the main character of the story. There were four times I laughed out loud and I found myself constantly smiling and feeling better the more I read. I felt relaxed and entertained for two days after finishing the book and I will never look at Santa Fe the same again. I can hardly wait for Ron's next book. The book is not very long, it is well worth the money, and it afforded me the most relaxed and enjoyable two hours I have spent in a long time. Everytime I think about that story I can't keep from smiling and I feel "good all over" all over again. 1 von 1 Kunden fanden die folgende Rezension hilfreich. I'm Heading West for Santa Fe Von Ein Kunde I never doubted that life in Santa Fe would beat the Midwest - especially Decatur, Illinois. But now even dentists are dropping the drill and heading south and west. Howard Spoon is bored with life and hears that Santa Fe is populated with wealthy widows and divorcees. Unlike most men that merely dream of another, more fulfilling life, he chucks it all and goes for the gold. (Hey, if he did the logical thing and suffered quietly at home there would be no book.) This story had me laughing out loud - on a plane. The people around me thought I was nuts. Sorry, it's just that this hapless dentist is atypical in every sense of the word. So are the people he meets. Nothing in this book is predictable, especially the ending. Don't try to guess. Just read it and laugh.

Kurzbeschreibung Santa Fe Crazy tells the story of Howard Spoon. Fed up with life in Decatur, Illinois, Howard divorces his wife, sells his dental practice, and moves to Santa Fe, New Mexico to marry a rich widow. Howard knows Santa Fe is overrun with rich widows she read it in a magazine. With help from George Bad Toe, a full-time entrepreneur and part-time scam artist, Howard meets Charlie Malpin, a wealthy Santa Fe heiress. What Howard discovers about Charlie and ultimately himself throws his satirical world into a tailspin. Kurzbeschreibung Santa Fe Crazy tells the story of Howard Spoon. Howard Spoon is fed up with his mundane life in Decatur, Illinois. He divorces his wife, sells his dental practice, then moves to Santa Fe, New Mexico to marry a rich widow. Howard knows Santa Fe is overrun with rich widows - he read it in a magazine. With help from George Bad Toe, a full-time entrepreneur and part-time scam artist, Howard meets Charlie Malpin, a wealthy Santa Fe heiress. What Howard discovers about Charlie - and ultimately himself - throws his satirical world into a tailspin. Ron Hutchison grew up an Army brat and lived all over the world, including two years in Japan as a teenager. A journalism graduate from the University of Missouri, he took his first newspaper job as a sports writer for the El Paso Times at the age of 19. He has worked as a newspaper editor and corporate public relations executive. Hutchison now lives in Albuquerque, New Mexico where he has just completed his second novel.
